Sent to 19178211113 at: 2016-02-06 00:42:25 So on the one hand you don't know what you're getting but on the other you know they are super mindful of allergies.

Sent to 19178211113 at: 2016-02-06 14:39:59 I have an extremely painful strep throat. My tonsils are so swollen that i honestly cant swallow food, only liquid. And only warm liquids at that. The pain is so bad it shoots out of my ears. I have been taking amoxicillin for 3 days with no improvement. I have taken 9 out of 30 pills. Now, i have also been prescribed prednisone which i havent taken yet. That would shrink the tonsils and get rid of the pain in one day. Both my regular doctor and my gyno said its ok to take while pregnant, but i read some scary things on the internet about slightly increased chances for cleft palette. 1.) do u think the amoxicillin will eventually stop the pain, at what point? 2.) would u take the prednisone
Received from 19142603729 at: 2016-02-06 15:00:48 I started paper towns and stopped again

Sent to 19178211113 at: 2016-02-06 15:40:14 Without sufficient protein in your diet, you are more at risk of contracting an infection, suffering from weight loss, and possibly retaining severe amounts of fluid. Consuming the proper amounts of protein during pregnancy is vital to the health of your baby as it has also been linked to a lower risk of neonatal deaths and birth defects.

Babies and toddlers are growing rapidly, so they need more protein per pound of body weight than older kids and adults.

Sent to 19178211113 at: 2016-02-10 16:01:05 Let's say he takes money out of the big banks right? Then the banks will have less money right? Do you think they will take that money away from their talent? No history has shown us the banks deal w such a situation by loaning less out when they have less liquidity. That means middle class people with small businesses won't get the loans they need
Sent to 19178211113 at: 2016-02-10 16:04:41 People are predictably self serving. They will game the system for their benefit always. Big banks do it. Poor people

on welfare do it. Regardless of status, people are self serving.

Received from 17036086748 at: 2016-02-11 05:53:31 He told me he can't wait to baby shop too (he also told me earlier in the day he wanted us to have triplets- part of a joke but still- he's down to make babies so good sign)
Received from 17036086748 at: 2016-02-11 05:53:53 So I made out with him and then I politely kicked him out Bc I needed to sleep

Received from 18034141483 at: 2016-02-12 17:16:45 Do not worry about the VA trip. If you can't go then so be it. Let's be honest it's not like an elaborate luxurious beach vacation and it is pretty low in cost so it's not the worst thing if you miss it.
Sent to 18034141483 at: 2016-02-12 17:17:53 I know, you're completely right. I just don't want to miss it. But I want to get it out of the way before spring

Sent to 19178211113 at: 2016-02-16 17:10:35 I think bay reads as a cross between Leo and Virgo. But that's just my opinion.
Sent to 19178211113 at: 2016-02-16 17:10:52 It discusses zodiacs for babies.

Received from 19178211113 at: 2016-02-16 17:23:19 How do preschool applications get judged? Ugh it makes me ill just thinking about it
Received from 19178211113 at: 2016-02-16 17:23:40 Its really obnoxious how hard it is to get into preschool
Received from 19178211113 at: 2016-02-16 17:23:56 U have to apply really early and do a great application
Received from 19178211113 at: 2016-02-16 17:24:06 What do you even put on it???
Received from 19178211113 at: 2016-02-16 17:24:32 U can just use mine as an example, they said it was one of the best they had ever seen and that they rarely accept kids within one day
Sent to 19178211113 at: 2016-02-16 17:25:05 But what did you put???
Sent to 19178211113 at: 2016-02-16 17:25:13 I dont know how to explain it, its less about what you put and more about the way you write it
Received from 19178211113 at: 2016-02-16 17:25:23 I don't understand. She hasn't even lived two years.
Received from 19178211113 at: 2016-02-16 17:25:47 Bc they are also selective based on parents bc you are usually very involved in preschool

Sent to 19178211113 at: 2016-02-16 17:27:02 They basically ask very general questions for you to write mini essays to, and its about what you choose to say and how you say it that reveals info about you
Received from 19178211113 at: 2016-02-16 17:27:15 And they tell alot about kid from parents

Sent to 19178211113 at: 2016-02-16 17:33:11 I just don't like it
Received from 19178211113 at: 2016-02-16 17:33:29 Having babies feels competitive. And social media is making it worse.

Sent to 19178211113 at: 2016-02-16 17:35:37 The social media is the worst
Sent to 19178211113 at: 2016-02-16 17:35:40 So much judgment
Received from 19178211113 at: 2016-02-16 17:36:02 First of all it's weird how everyone now sees your baby when its first born
Received from 19178211113 at: 2016-02-16 17:36:15 Despite that fact that you may never speak to them in person ever again
Received from 19178211113 at: 2016-02-16 17:36:29 But since you are Facebook friends they can see into your life
Received from 19178211113 at: 2016-02-16 17:36:59 Secondly I find it to be a constant battles of look how cute my baby is. And look what accomplishment my baby just achieved. And look how special my baby is.
Sent to 19178211113 at: 2016-02-16 17:37:24 Which is fine and normal in some scale of course. But social media makes it like times a thousand in scale
Sent to 19178211113 at: 2016-02-16 17:38:03 And it's like a proven thing that social media only has detrimental effects on the psyche
Sent to 19178211113 at: 2016-02-16 17:38:37 Because people only put the shiny happy beautiful version of their life on social media. So it's creates an unrealistic expectation that that is what life looks like
Sent to 19178211113 at: 2016-02-16 17:39:15 So when people scroll thru each other's "lives" they feel competitive or depressed or jealous or whatever
Sent to 19178211113 at: 2016-02-16 17:40:15 I dont know. I use my instagram as a photo album for Bay and then on her bday i make prints of it. It helps me just pick my favorite picks and not over do it with like 5 takes of the same shot. And the account is private so it is only people i personally select who can see it, there are a lot i reject
Sent to 19178211113 at: 2016-02-16 17:40:29 But u dont have to do social media
Sent to 19178211113 at: 2016-02-16 17:40:37 Then youll never see anyone elses either
Sent to 19178211113 at: 2016-02-16 17:40:41 I'm not talking about bay's Instagram
Sent to 19178211113 at: 2016-02-16 17:40:58 I'm talking more generally.
Sent to 19178211113 at: 2016-02-16 17:41:18 But like what will you do for the

second child? Will he/she also get an Instagram account?
Received from 19178211113 at: 2016-02-16 17:42:00 No im just gonna continue it and not have separate child albums. Its family yearly albums period
Received from 19178211113 at: 2016-02-16 17:42:13 So only bay gets her name in though
Received from 19178211113 at: 2016-02-16 17:42:29 I can change it to RaisingYohais
Sent to 19178211113 at: 2016-02-16 17:42:31 Haha
Sent to 19178211113 at: 2016-02-16 17:42:36 Still
Sent to 19178211113 at: 2016-02-16 17:42:45 I dont think thats the point
Received from 19178211113 at: 2016-02-16 17:42:51 It wasn't
Sent to 19178211113 at: 2016-02-16 17:43:06 My point is how social media creates more problems than benefit
Received from 19178211113 at: 2016-02-16 17:43:39 Not for me, its super helpful with me doing photo albums in a busy world
Received from 19178211113 at: 2016-02-16 17:43:44 I'm not saying you shouldn't do it
Sent to 19178211113 at: 2016-02-16 17:44:04 But I just personally think the photo album thing is kinda bs
Received from 19178211113 at: 2016-02-16 17:44:25 It's not about internally collecting photos. As there are better ways to do that than Instagram.
Sent to 19178211113 at: 2016-02-16 17:44:39 It's about you wanting to show pics of bay to others.
Sent to 19178211113 at: 2016-02-16 17:45:07 Which is fine. I'm not saying you shouldn't want to
Received from 19178211113 at: 2016-02-16 17:45:41 I just don't like how competitive social media feels. It feels very showy a lot of the time
Sent to 19178211113 at: 2016-02-16 17:45:58 That applies to all things not just babies.
Sent to 19178211113 at: 2016-02-16 17:46:37 I just don't think I'm gonna be able to handle babies in this day and age
Sent to 19178211113 at: 2016-02-16 17:48:31 Of course i like for friends and family to be able to see her pix
Sent to 19178211113 at: 2016-02-16 17:48:47 But the album is 90% for myself
Sent to 19178211113 at: 2016-02-16 17:50:32 I don't like what social media is doing
Sent to 19178211113 at: 2016-02-16 17:50:42 It weirds me out
Sent to 19178211113 at: 2016-02-16 17:50:49 The new norm and what not
Sent to 19178211113 at: 2016-02-16 17:52:13 Its weird
Received from 19178211113 at: 2016-02-16 17:52:40 I don't like it
Received from 19178211113 at: 2016-02-16 17:52:57 It's bringing out bad qualities in humanity
Sent to 19178211113 at: 2016-02-16 17:53:25 Ya
Sent to 19178211113 at: 2016-02-16 17:53:33 It also helps connect people tho
Sent to 19178211113 at: 2016-02-16 17:53:34 If people post tons of happy photos, people are annoyed by it and actually seek out to see if that person is as happy as they seem. Which is awful!
Received from 19178211113 at: 2016-02-16 17:53:45 But many people i know cant handle it

Sent to 19142603729 at: 2016-02-19 16:24:08 Which is harder - publishing a book or having a script purchased?
Received from 18059079815 at: 2016-02-19 16:24:47 No worries. Good luck. Miss you
Sent to 19142603729 at: 2016-02-19 16:24:50 There are so many variables so let me think through them real quick so I can give you a basic opinion

Sent to 19142603729 at: 2016-02-19 16:25:04 I'm looking for a really rough cut answer
Sent to 19142603729 at: 2016-02-19 16:25:14 I know, so my thoughts are this…
Received from 18059079815 at: 2016-02-19 16:25:18 Miss you too!!
Sent to 19142603729 at: 2016-02-19 16:25:22 And obviously it's not fact it's your opinion
Sent to 19142603729 at: 2016-02-19 16:29:00 I think writing a script is harder because you have a very ‘standard’ guidelines that have to be followed. Plus you have to squeeze everything (theme, symbolism, characters, plot, sub plot etc) into roughly 100-110 pages. And it’s no question it’s harder to get a script purchased vs a book published. There are so many publishing companies that will publish work. Caveat being, published does not always mean an advance or any revenue for that matter. I know a guy that has published two books and he said he’s only made about 25k for both of them.
Received from 19142603729 at: 2016-02-19 16:30:41 I guess my point is that with a book, there are less rules and you’re free to explore. And for a novice writer, I think the publishing world is more keen on finding newer writers vs production companies that almost never read unsolicited submissions.
Sent to 19142603729 at: 2016-02-19 16:30:47 Right of course. My general feeling was that being an author seemed "easier" than being a script writer
Received from 19142603729 at: 2016-02-19 16:31:17 And possibly holds more promise for success.
Received from 19142603729 at: 2016-02-19 16:31:17 I think a screenwriter is by far the hardest position in entertainment
Sent to 19142603729 at: 2016-02-19 16:31:29 Especially given that scripts are often modeled after books
Received from 19142603729 at: 2016-02-19 16:32:17 Agreed. you can even look at all these dumb assholes that have written books and gotten published. You don’t see that in screenwriting.
Received from 19142603729 at: 2016-02-19 16:32:28 I am trying to figure out if I would be a good writer of books. I feel like I could be.
Sent to 19142603729 at: 2016-02-19 16:32:48 I realize it takes a lot of effort and discipline.
Sent to 19142603729 at: 2016-02-19 16:33:10 But I know a lot of women who in the 30s start doing it
Received from 19142603729 at: 2016-02-19 16:33:11 extreme discipline. But if there is a routine, then it’s absolutely possible.
Sent to 19142603729 at: 2016-02-19 16:33:18 I have heard of that too
Received from 19142603729 at: 2016-02-19 16:33:42 I'm disciplined in that I am stubborn
Sent to 19142603729 at: 2016-02-19 16:33:49 So I'm not concerned about that component
Sent to 19142603729 at: 2016-02-19 16:33:50 right. agreed with that
Sent to 19142603729 at: 2016-02-19 16:34:18 And I read so much that I think I honestly know a lot of the basics
Received from 19142603729 at: 2016-02-19 16:34:31 About plot and structure
Received from 19142603729 at: 2016-02-19 16:34:32 plus there are so many different styles. Writing a plot driven story like Girl on the Train is going to be way harder than writing a book like Furiously Happy
Sent to 19142603729 at: 2016-02-19 16:34:47 I think I would be more of a beach reads author
Sent to 19142603729 at: 2016-02-19 16:34:53 that’s the way to go

Sent to 19142603729 at: 2016-02-19 16:35:45 Not junk. But easy reads about relatable stuff. Nothing groundbreaking. But after a certain amount maybe one hits big

Received from 19142603729 at: 2016-02-19 16:37:02 I think there is too much crime / mystery / drama out there. But not as much of clever easy happy reads as I think people naturally gravitate towards.
Data Missing 19142603729 at: 2016-02-19 16:37:33 my mantra with the writers I work with is 'just write, get it on the page, and then we can start to craft it'. Meaning, the hardest part is just getting something on the page. Obviously you have to have some sort of outline, but as someone that is editing them, the best writing is rewriting. So once you get over the hurdle of having a first draft, as bad as it might be, it gets easier from there.
Data Missing 19142603729 at: 2016-02-19 16:37:52 I know that too from my job

Sent to 19142603729 at: 2016-02-19 16:39:16 I don't think I'm funny enough to write a memoir, despite having the stories
Received from 19142603729 at: 2016-02-19 16:39:26 I don't think I'm wise enough to tell other anything special
Sent to 19142603729 at: 2016-02-19 16:39:45 I don't think I'm twisted enough to write mysteries
Received from 19142603729 at: 2016-02-19 16:40:13 But I think I understand the human condition pretty well. And I know how to write. And relate to people.
Received from 19142603729 at: 2016-02-19 16:40:34 I think I could do simple fiction pretty well.
Sent to 19142603729 at: 2016-02-19 16:41:41 I think that's a very smart and intelligently thought out deduction of your skill set. A lot of people don't have the mindset to ask those type of questions and end up going down a fruitless rabbit hole
Sent to 19142603729 at: 2016-02-19 16:43:41 I'm gonna chew on the idea some. I've written chapters in the past but not good ones
Sent to 19142603729 at: 2016-02-19 16:44:12 I dunno. Maybe I'm just looking for an exit strategy. But I really yearn to work for myself.
Sent to 19142603729 at: 2016-02-19 16:44:24 I just know that's how I work best
Sent to 19142603729 at: 2016-02-19 16:45:28 Anyways sorry to interrupt you. I just wanted your opinion
Sent to 19142603729 at: 2016-02-19 16:47:28 My personal thoughts are that you shouldn't worry about being good or not at the beginning. Writing is so cathartic and being 'in the flow' is very healthy for the spirit. Maybe don't start with a daunting idea. If you still have those chapters, maybe go back and see if you can craft it into a short story.
Received from 19142603729 at: 2016-02-19 16:48:10 But yes, being a writer is the best job in the world
Sent to 19142603729 at: 2016-02-19 16:48:16 Yea I know short stories are the way to start. We'll see. I stubbornly want to just start w a book though

Received from 19142603729 at: 2016-02-19 16:51:22 One of your attributes that I love the most is that when you put your mind towards something, you crush it. You're intimidatingly smart and savvy so I have no doubt if you love what you're doing, and you're happy, that you'd do well. Frankly I think you'd do well at anything you do. You're just that type of person that always succeeds
Sent to 19142603729 at: 2016-02-19 16:51:47 Thanks babe. But you're definitely

Sent to 19142603729 at: 2016-02-19 16:53:07 Of course I'm biased, but I do believe what I'm saying. Trust me, the caveat is that you actually put your mind to it and don't half ass it. Not saying you would, but you catch my drift.

Sent to 19142603729 at: 2016-02-19 16:54:42 If you look at David Simon, writer of The Wire or Mark Boal, writer of the Hurt Locker (novel and script), they wrote what they knew. Everyone always says that's sometimes the best place to start

Received from 15627088804 at: 2016-02-19 22:38:02 Ugh, I wish. It's going kinda slow. Started off hot but couldn't keep the momentum up. Still working on building the client base.
Received from 18059079815 at: 2016-02-19 22:38:06 You don't even know how long it'll take to get preggers
Sent to 18059079815 at: 2016-02-19 22:39:01 I've just been having a lot of mental breakdowns Bc of money Bc like okay my career as an attorney is super linear re promotions and relatively reliable as an income. But I hate it and feel like my soul dies a little every day I do it. But I keep doing it Bc MONEY. And like I want it to be that once I have a baby I can change jobs if I want (which is almost a guarantee) and I feel like what if I can't Bc Chris's career is NOT so linear and reliable and I'm scared
Sent to 18059079815 at: 2016-02-19 22:39:56 And yes I know I will be pregnant when I try to be - my mom tried twice and has two kids. My sister has tried twice and has one kid and one bun in the oven (yup she is preggers again, but not 12 weeks yet so it's all hush hush)
Sent to 15627088804 at: 2016-02-19 22:45:12 What's your concentration generally? I will let Chris know to refer people your way - he has a hefty LA base of peeps.
Received from 18059079815 at: 2016-02-19 22:45:12 But back to the issue at hand - I am scared of handing over the bread winner card so to speak. Not Bc I don't fully believe in Chris, Bc he is amazing at everything. But more Bc his field is scary and not as like reliable re income. And his current company is like a budding one so it could even like cease to exist! So I mean he agrees and is starting to look for other opportunities with more of a clear trajectory and what not but I am just a fucking mess about how to handle it Bc MONEY
Received from 18059079815 at: 2016-02-19 22:45:14 The idea of kids just really complicates things.
Received from 18059079815 at: 2016-02-19 22:40:40 Well, do you want to change

Sent to 18059079815 at: 2016-02-19 22:46:06 I need more autonomy in my job. I hate being in an office and having billables and shit
Sent to 18059079815 at: 2016-02-19 22:46:41 I don't think in house IS kushy, nor do I think I'm ready / qualified. And frankly I'm just sick of doing a job I don't like.
Received from 15627088804 at: 2016-02-19 22:46:56 Family law. So everything relating to marriage and kids... Divorce, custody/support adjustments, prenups. Divorce obviously being the bread and butter.

Received from 18059079815 at: 2016-02-19 22:48:16 But as I think about getting pregnant I get TERRIFIED that I won't be able to leave when I'm ready to
Sent to 18059079815 at: 2016-02-19 22:48:37 And having a baby strapped to me will def affect my ability to withstand this hell called my job
Sent to 15627088804 at: 2016-02-19 22:48:53 But I might start sending my more morally misguided friends out to well known haunts of married women to create a bigger client base
Sent to 18059079815 at: 2016-02-19 22:48:59 I think you guys would make it work if you had to leave

Received from 18059079815 at: 2016-02-19 22:49:13 I mean the only reason you "couldn't " leave would be money

Received from 19178211113 at: 2016-02-20 04:37:41 Summary: Ellen O’Farrell is a professional hypnotherapist who works out of the eccentric beachfront home she inherited from her grandparents. It’s a nice life, except for her tumultuous relationship history. She’s stoic about it, but at this point, Ellen wouldn’t mind a lasting one. When she meets Patrick, she’s optimistic. He’s attractive, single, employed, and best of all, he seems to like her back. Then comes that dreaded moment: He thinks they should have a talk. Braced for the worst, Ellen is pleasantly surprised. It turns out that Patrick’s ex-girlfriend is stalking him. Ellen thinks, Actually, that’s kind of interesting. She’s dating someone worth stalking. She’s intrigued by the woman’s motives. In fact, she’d even love to meet her. Ellen doesn’t know it, but she already has.

Sent to 19178211113 at: 2016-02-20 04:48:00 Okay so we are going to create a box for your worries.
Received from 19178211113 at: 2016-02-20 04:48:23 Close your eyes and imagine this box. And then tell me what it looks like
Sent to 19178211113 at: 2016-02-20 04:49:14 A wooden box like the one u gave me for christmas
Sent to 19178211113 at: 2016-02-20 04:49:55 Okay. Now imagine your box, can you visualize how you close and lock this box?
Sent to 19178211113 at: 2016-02-20 04:51:30 Hmmm
Received from 19178211113 at: 2016-02-20 04:51:39 I can picture how to close it
Sent to 19178211113 at: 2016-02-20 04:51:48 The clasp is too tiny for a lock
Sent to 19178211113 at: 2016-02-20 04:53:14 Okay so how about you try visualizing making the box a bit bigger with a bigger clasp and big hefty lock on it.
Received from 19178211113 at: 2016-02-20 04:53:22 K
Sent to 19178211113 at: 2016-02-20 04:54:00 Now close your eyes and tell me where the box is. What room it is in and where you want to keep it. Ideally not near your bed
Received from 19178211113 at: 2016-02-20 04:54:15 Guestroom closet?
Received from 19178211113 at: 2016-02-20 04:54:28 Sure. On floor? On a shelf?
Received from 19178211113 at: 2016-02-20 04:55:28 Floor
Sent to 19178211113 at: 2016-02-20 04:57:06 Okay so I want you to visualize taking the box and opening in. And then I want you to think about all of the things you are stressed about, and think about translating them into a physical object. So if you're worried about the baby, maybe it's a sonogram picture.
Received from 19178211113 at: 2016-02-20 04:58:44 And then put all of those objects of your stress into the box. Lock it. And put it back in the closet. And if you are still stressed about anything, you can go back and open it and put more stuff in it. But when you are finished visualizing, put the box back into the closet and take a deep breath. And let your worries reside there. You can always go back to them. But for now, you can store them there and they will be safe.

You're showing off where you live, doing some cooking of your own, and it's easy for a Friday.

Received from 15407619950 at: 2016-02-25 00:56:24 Did you take a Mexico trip recently? My sisters and I are supposed to go there in March and are worried about Zika and having to postpone getting preg. What's the vibe down there?
Received from 15407619950 at: 2016-02-25 00:57:03 There is no Zika in Cancun where we were
Sent to 15407619950 at: 2016-02-25 00:57:11 But I wouldn't go if I already was pregnant
Sent to 15407619950 at: 2016-02-25 00:58:24 Hmmm. We'll be in Playa del Carmen which must be close by (flying into cancun). How do you know there's no zika there?
Received from 15407619950 at: 2016-02-25 00:58:39 That's where we were playa del Carmen
Sent to 15407619950 at: 2016-02-25 00:58:47 It's the same thing. They are like 15 mins apart
Received from 15407619950 at: 2016-02-25 00:59:36 I mean there are no reports of

Zika in that area. But I was there for a wedding and all women who were pregnant canceled and didn't come
Sent to 15407619950 at: 2016-02-25 00:59:58 Cuz I don't think anyone wants to risk it
Sent to 15407619950 at: 2016-02-25 01:00:09 But I didn't get one mosquito bite while I was there.
Received from 15407619950 at: 2016-02-25 01:00:31 So I think you're fine so long as you aren't pregnant when you are actually there.
Sent to 15407619950 at: 2016-02-25 01:02:13 Good to know. Elizabeth's getting fertility treatments and got a refund for the trip. Jill's 37, needs to get preg soon and a hypochondriac...we've been unsuccessfully trying to change locations.
Sent to 15407619950 at: 2016-02-25 01:02:41 Were the resorts pushing a lot of mosquito repellent?
Sent to 15407619950 at: 2016-02-25 01:02:47 You could go to a ranch in Montana
Sent to 15407619950 at: 2016-02-25 01:03:10 Nope. There was no vibe of Zika other than my American companions being paranoid about it
Sent to 15407619950 at: 2016-02-25 01:03:55 If you don't mind me asking why is Elizabeth getting fertility treatments?
Sent to 15407619950 at: 2016-02-25 01:04:10 Lol. Ok, this is helpful. Maybe I can convince Jill to just stay with the Mexico plans.
Received from 15407619950 at: 2016-02-25 01:05:44 E has had a hard time getting preg and miscarried in December after doing IUI. She's taking drugs and doing another round of IUI. Nobody knows she miscarried tho.
Received from 15407619950 at: 2016-02-25 01:06:33 What's iui
Sent to 15407619950 at: 2016-02-25 01:06:35 The shots?
Sent to 15407619950 at: 2016-02-25 01:07:05 Could it have been like the kind of run of the mill miscarriage that happens sometimes? (Esp w first pregnancies)
Sent to 15407619950 at: 2016-02-25 01:07:26 Bailey recently got pregnant and miscarried and the doctors told her it was nothing to worry about
Received from 15407619950 at: 2016-02-25 01:11:03 IUI is like artificial inseminstion I think. She miscarried after doing the artificial insemination. You have to try natural preg for awhile before you can start these alternative methods. I don't know all the details - just that they tried awhile unsuccessfully and are now in the midst of active fertility treatments. Very upsetting for her so I haven't asked a lot about the details.
Received from 15407619950 at: 2016-02-25 01:12:55 Got it. That's def tough
Sent to 15407619950 at: 2016-02-25 01:13:10 Sounds like all you girls could get pregnant very close together though! So that's exciting

Received from 19178211113 at: 2016-02-25 19:44:26 I just finished volunteering at the Landlord Tenant Resources Center. It really puts things in perspective
Received from 19178211113 at: 2016-02-25 19:48:08 I meet with people that need legal information about their housing situation (can't give them advice Bc in not their personal attorney). And generally that means I'm meeting with tenants facing eviction for nonpayment of rent, which they aren't paying Bc they are poor and/or Bc they have housing condition issues (like mold, no heat, rodent infestation, bed bugs, broken front door locks, etc). It's so intense.

Received from 17034991766 at: 2016-02-28 18:33:00 Yes, but I read a really interesting article the other day about best pic winners

Sent to 17034991766 at: 2016-02-28 18:33:15 I read big short has a dog in the race

Sent to 17034991766 at: 2016-02-28 18:33:42 I mean I liked it fine. But not enough. I think spotlight or Martian should win
Received from 17034991766 at: 2016-02-28 18:33:48 I actually didn't love revenant.
Received from 17034991766 at: 2016-02-28 18:34:36 I would rewatch it probably for the beauty of the film. But spotlight was my favorite this season
Sent to 17034991766 at: 2016-02-28 18:35:32 I didn't love the big short like everyone
Received from 17034991766 at: 2016-02-28 18:36:56 And any of those three could win, the best picture category votes are counted differently
Sent to 17034991766 at: 2016-02-28 18:37:31 How are they counted
Sent to 17034991766 at: 2016-02-28 18:38:17 The 10 noms are ranked by each voter, so assuming everyone has big short and spotlight in their top 3 bc everyone loved it
Sent to 17034991766 at: 2016-02-28 18:38:19 Then
Received from 17034991766 at: 2016-02-28 18:38:33 Them. The revenant is more divisive
Received from 17034991766 at: 2016-02-28 18:39:22 So while everyone's top three may include those, I think the only movie to take a lower spot is revenant, some voters would probably agree with you
Received from 17034991766 at: 2016-02-28 18:39:33 They didn't love it
Sent to 17034991766 at: 2016-02-28 18:41:30 I didn't realize

Received from 19142614611 at: 2016-03-01 19:45:46 Spoke to the broker from 133 #2B. He said he could probably come down around 3.
Received from 19142614611 at: 2016-03-01 19:46:56 No pressure obviously but interesting to know that you could get that for around $1k/sqft
Sent to 19142614611 at: 2016-03-01 19:47:10 And it comes with a private roof deck.
Received from 19142614611 at: 2016-03-01 19:48:33 Yea I took a closer look - I don’t think it makes sense. CC + Tax is over 5k a month thats absurd.
Sent to 19142614611 at: 2016-03-01 19:48:48 esp when no doorman. It doesn’t even make sense
Received from 19142614611 at: 2016-03-01 19:49:08 For 3k sqft it's actually not that bad but I see what you're saying.
Received from 19142614611 at: 2016-03-01 19:49:15 I will talk to Chris
Received from 19142614611 at: 2016-03-01 19:49:26 But I looked at comparable sq ft, that is very high

Received from 19142614611 at: 2016-03-01 19:49:37 its usually around 3k
Sent to 19142614611 at: 2016-03-01 19:49:48 For new construction?

Received from 19142614611 at: 2016-03-01 19:50:29 but over 5k?? Thats crazy when no doorman or gym or any of it

Sent to 19142614611 at: 2016-03-01 19:52:51 Yep
Sent to 19142614611 at: 2016-03-01 19:52:51 oh no wait, I got confused, the taxes are what are super high
Data Missing 19142614611 at: 2016-03-01 19:53:02 cc is 2227, taxes are 3103
Data Missing 19142614611 at: 2016-03-01 19:53:21 They are on the higher side but it's a huge space
Received from 19142614611 at: 2016-03-01 19:54:07 Look I like the space, but to be honest, its kind of unnecessarily large, like not super well utilized
Sent to 19142614611 at: 2016-03-01 19:54:25 When was it built? What’s the history?
Received from 19142614611 at: 2016-03-01 19:54:52 I agree.
Sent to 19142614611 at: 2016-03-01 19:55:17 I'm not trying to pressure you. Just think it's a pretty good deal.
Sent to 19142614611 at: 2016-03-01 19:55:31 It's new construction. No units have closed yet.
Received from 19142614611 at: 2016-03-01 19:56:25 I just think 5k a month is a lot, and would affect resale drastically.
Sent to 19142614611 at: 2016-03-01 19:56:45 And I happen to know very well that little italy is hard to sell, people don’t like it
Sent to 19142614611 at: 2016-03-01 19:56:52 I personally do, but I know I am in the minority
Received from 19142614611 at: 2016-03-01 19:57:37 That's why they're willing to discount it. It's right on the boarder of noho and that area is changing a lot.

Sent to 19142614611 at: 2016-03-01 19:59:02 I would be willing to bet the noise SUCKS, being on the second floor in little italy.

Received from 19142614611 at: 2016-03-01 19:59:43 The only way I see it happening is if we did a low ball offer and they accepted it. And by low ball I mean like 2.75
Received from 19142614611 at: 2016-03-01 20:00:11 That wouldn't work but we'll find something else.

Sent to 19142603729 at: 2016-03-01 20:05:26 Pros: very big, low price per sq ft, new construction, we like little italy
Sent to 19142614611 at: 2016-03-01 20:05:30 I'm sure. The monthlies are high and here's plenty of other stuff out there. The size and price of that one is just very abnormal.
Sent to 19142603729 at: 2016-03-01 20:05:58 Cons: high cc + taxes (~5,300/month), on the second floor, no doorman
Received from 19142614611 at: 2016-03-01 20:06:46 We have time on our side, very patient to find the right fit
Sent to 19142614611 at: 2016-03-01 20:06:59 And I just think there are too many cons with this one
Sent to 19142614611 at: 2016-03-01 20:07:00 Absolutely
Sent to 19142614611 at: 2016-03-01 20:07:07 esp for flipping it in the future

Sent to 19142614611 at: 2016-03-01 20:07:45 Also since you have time on your side there's no reason not to throw out lowball offers to see if someone bites.
Sent to 19142614611 at: 2016-03-01 20:08:13 Exactly.
Sent to 19142603729 at: 2016-03-01 20:11:26 I said I don’t think it’s the right fit, but I wanted your opinion. The unit is beautiful, but I just think unnecessarily large, high monthly costs, and most importantly I worry about the ability to resell it in 5 years.

Received from 19142603729 at: 2016-03-01 21:06:45 Yay!!!
Received from 19142603729 at: 2016-03-01 21:10:50 Still just an AP credit but it is still huge for my resume and overall industry perception
Sent to 19142603729 at: 2016-03-01 21:13:05 the guys at Backup Media (financing) are absurdly rude and nasty. Like, can't believe the shit that comes out of

their mouth. I don’t know why my industry is filled with people that can be that vulgar. Some guy used the c word. Luckily not at me but I was floored.
Received from 19142603729 at: 2016-03-01 21:16:45 That’s crazy
Sent to 19142603729 at: 2016-03-01 21:16:51 Are you happy about the AP credit?
Received from 19142603729 at: 2016-03-01 21:17:11 I guess satisfied is the better word to use
Sent to 19142603729 at: 2016-03-01 21:21:33 Yeah. Technically the next credit was supposed to be an AP, but I thought it was going to be a different movie. I think its appropriate. Creative Executives don't always get producing credits so this is good.
Received from 19142603729 at: 2016-03-01 21:22:27 Plus I should be getting a title card for the screen now too. I know its vain, but that helps my ego :-)
Received from 19142603729 at: 2016-03-01 21:27:05 If you are happy then I am happy
Sent to 19142603729 at: 2016-03-01 21:27:47 So will you get CP for the ship movie?
Sent to 19142603729 at: 2016-03-01 21:32:09 Thats the goal internally. Things can change in negotiations with finance and/or co production company though. That said, if Churchill does happen I think I can sneak into that too.
Sent to 19142603729 at: 2016-03-01 21:36:10 Nice!
Received from 19142603729 at: 2016-03-01 21:36:46 Has anything changed or updated re: your career trajectory
Received from 19142603729 at: 2016-03-01 21:39:08 Once the film is wrapped it will make a major improvement in my experience/value for potential employers. But I'm still planning on starting the search and "feelers" once production starts in April.
Sent to 19142603729 at: 2016-03-01 21:39:29 When will it be wrapped you think
Sent to 19142603729 at: 2016-03-01 21:40:16 Pending no disasters, I believe its 4- 6 week shoot.
Received from 19142603729 at: 2016-03-01 21:40:28 So June
Sent to 19142603729 at: 2016-03-01 21:43:40 No end of April, early May. Which is good because the guys that help us with development costs just made a 50% profit in less than 2 years. This was a trial investment so our thought is that they will either re-invest the profit or make a larger investment. Since their money comes at start of production, the timing aligns with the goal of having a new job or better contract come June when my contract expires.
Sent to 19142603729 at: 2016-03-01 21:44:51 My new ultimate goal to figure out is how to do both.
Received from 19142603729 at: 2016-03-01 21:44:52 Got it.
Sent to 19142603729 at: 2016-03-01 21:45:08 Makes sense
Received from 19142603729 at: 2016-03-01 21:45:43 That way I can have a better career trajectory and essentially make more money.
Sent to 19142603729 at: 2016-03-01 21:46:42 Would require more time but I'm okay with it as long as there is no heavy travel. Which I doubt there would be
Received from 19142603729 at: 2016-03-01 21:48:29 Im just happy because this will really help my credibility. Its not uncommon for larger companies to poach producers for "office" like jobs.
Received from 19142603729 at: 2016-03-01 21:48:41 like what
Sent to 19142603729 at: 2016-03-01 21:52:04 Theres a lot. Too many to explain via text. But relevant to my experience it could mean creative or business development, even a manager position overseeing the development stage of projects. Which is a career trajectory towards a VP position.
Sent to 19142603729 at: 2016-03-01 21:54:14 Interesting. And there are a lot in NYC?

Received from 19142603729 at: 2016-03-02 00:38:06 I don't like the Mulberry one. I agree with all your points and I also think it feels a bit stuffy. Doesn't seem right to me. I like the other one you sent but also agree about you said about the price. Its high enough that if our financial plan deviated we'd be in a big cost pickle.

Received from 19142614611 at: 2016-03-02 21:09:50 I have a question
Sent to 19142614611 at: 2016-03-02 21:09:58 Regarding real estate attorneys
Sent to 19142614611 at: 2016-03-02 21:10:14 My friend is selling her place without an agent. So sale by owner or whatever
Received from 19142614611 at: 2016-03-02 21:10:37 And she talked to a lawyer to handle the contract stuff etc.
Sent to 19142614611 at: 2016-03-02 21:11:10 But she just called me and asked if it was necessary / important to have an attorney draft the document or could she just use the same contract as they used when they bought the house
Sent to 19142614611 at: 2016-03-02 21:11:55 I gave her my initial opinion and thoughts on the matter, but I am interested in yours as you are both an attorney and a broker and deal w this stuff all the time
Sent to 19142614611 at: 2016-03-02 21:11:58 Where is this?

Sent to 19142614611 at: 2016-03-02 21:12:48 Right so let's assume it doesn't require an attorney
Received from 19142614611 at: 2016-03-02 21:12:52 For arguments sake

Received from 19142614611 at: 2016-03-02 21:14:46 I mean I told her if it was smooth sailing it probably wasn't necessary but that ultimately you have one in case it isn't and to think of it as insurance

Sent to 13144358004 at: 2016-03-02 21:16:39 Just spoke to my cousin who is also an attorney and happens to be a real estate broker (but not real estate attorney). He shared my view - would recommend having an attorney for piece of mind Bc you don't know if you actually need one until it's too late. And he also added that some states require an attorney (ny does)
Received from 13144358004 at: 2016-03-02 21:17:10 For what it's worth. Will let you know when I hear from my real estate attorney friend.
Sent to 19142614611 at: 2016-03-02 21:17:48 It is true though. Legal work sometimes makes me laugh Bc it didn't require 3 years of law school to do some of this stuff
Received from 19142614611 at: 2016-03-02 21:19:09 Absolutely. You just need it for the what if
Sent to 19142614611 at: 2016-03-02 21:19:36 Yup. Plus I think when someone does law for a living their eyes view documents differently
Received from 19142614611 at: 2016-03-02 21:20:24 Heaven forbid she didn't change something correctly. And she couldn't consult w an attorney friend Bc that would constitute legal advice and I wouldn't want to put my ass on the line for malpractice for a favor.

Sent to 17034057024 at: 2016-03-02 21:42:36 My friend is selling her place without an agent. So sale by owner or whatever, in St. Louis. She talked to a lawyer to handle the contract stuff etc. But she just called me and asked if it was necessary / important to have an attorney draft the documents or could she just use the same contract as they used when they bought the house.

Sent to 15717218115 at: 2016-03-02 22:04:49 I'm tired of always looking at my phone. Trying to break the habit.

Sent to 19142603729 at: 2016-03-02 22:27:15 I feel like there should be a transgender movie
Received from 19142603729 at: 2016-03-02 22:27:22 It would kill it
Sent to 19142603729 at: 2016-03-02 22:55:56 Well there was Transamerica, but that was about a transsexual. There is also Transparent, but that is a show.
Sent to 17034057024 at: 2016-03-02 22:56:32 For the contract, I imagine she'll be fine using whatever form contract they used when they bought it. It doesn't take much to create a legally binding contract for real estate under the common law, so as long as it has a description of the land, is in writing signed by the buyer, and states consideration, it should be a valid contract.
Sent to 17034057024 at: 2016-03-02 22:58:31 Depends on her specific situation though as to whether or not she seek some professional help. Like if there are any special conditions or terms she wants included etc.
Received from 17034057024 at: 2016-03-02 23:00:50 She also might want to see if there sellers are required to disclose anything about the property under Missouri law.
Sent to 17034057024 at: 2016-03-02 23:03:26 Or, to be safe, she can probably call whatever settlement attorney they plan to use who should be able to guide them and answer questions and even provide a blank fork contract for a nominal fee
Sent to 17034057024 at: 2016-03-02 23:18:55 So they do need to use a settlement attorney? I think she was trying to determine if she needed an attorney at all

Sent to 17034057024 at: 2016-03-02 23:52:56 They should definitely use a title company or settlement/closing attorney to handle the closing after they have a ratified contract. Some states require attorneys to do it and some (most I think) don't.

Received from 17034057024 at: 2016-03-02 23:56:30 Ok good. She should be fine using the old form contract then and should call the title company if she has any specific questions along the way. As long as the deal is pretty straight forward and not too complex, she is not risking much at all by doing her own contract.

If all she wants is a blank form contract for her to use to fill in the basic terms (price, etc), I can't imagine it being more than &500. If she is looking for more guidance/assistance, then I guess it depends upon how much guidance she really wants/needs.

Received from 17034057024 at: 2016-03-03 00:08:50 Conversely, if she's looking for the attorney to draft a customized contract, assist with negotiations and be there for guidance for everything else along the way then 1500 might not be too bad.

Received from 19142603729 at: 2016-03-04 22:58:58 It is. Quite terrifying actually. Was ashamed that my school was one they highlighted.

Sent to 19142603729 at: 2016-03-04 23:02:14 Right. But in all fairness, it's all universities.
Received from 19142603729 at: 2016-03-04 23:02:22 The appalling stuff is the bad policies
Sent to 19142603729 at: 2016-03-04 23:02:31 Which again is all universities.
Sent to 19142603729 at: 2016-03-04 23:02:52 Interesting that the super smart elitist schools seems to suffer from it most
Sent to 19142603729 at: 2016-03-04 23:03:18 Bc I honestly never heard about shit like that at USC. Obviously people got sexually assaulted but not on a massive scale.
Received from 19142603729 at: 2016-03-04 23:06:00 I think it might have to do with that more expensive schools cover it up more cause its "bad business"

Sent to 19142603729 at: 2016-03-04 23:21:20 This fsu shit is outrageous

Received from 19142603729 at: 2016-03-04 23:27:52 This documentary was said to be one of the worst of the year by variety and has a lot of controversy about its credibility
Sent to 19142603729 at: 2016-03-04 23:27:58 So typical
Sent to 18034141483 at: 2016-03-04 23:31:23 Have you seen the hunting ground?
Sent to 18034141483 at: 2016-03-04 23:31:31 The doc that won best song at the oscars.
Received from 19142603729 at: 2016-03-04 23:32:39 Hmm- I tend to agree actually. While I dont doubt its completely true and outrageous, I didn't like that they didnt show the other side's perspective. No matter how warped it may be, a true documentary can't be one sided.
Sent to 19142603729 at: 2016-03-04 23:33:10 And I thought I read something about that girl getting awarded some amount of money recently. It was peanuts.
Sent to 18034141483 at: 2016-03-04 23:36:14 I just watched it and it's just so intense. If you haven't seen it - you are welcome to log onto my Apple TV and watch it (rented it so it's available for the next 22 hours)

Sent to 19142603729 at: 2016-03-04 23:36:37 Fuck two sides. This is RAPE
Sent to 19142603729 at: 2016-03-04 23:37:01 I don't believe you can get two sides to that story without victim blaming.

Data Missing 19142603729 at: 2016-03-04 23:59:56 No of course not! However I am "curious" to hear the school's defense. Regardless if I agree or not. Point is, I think a good doc at least shows both sides. Thats all.
Data Missing 18034141483 at: 2016-03-05 00:00:06 I've been thinking about you
Received from 19142603729 at: 2016-03-05 00:00:38 The defense w rape is always the same. Not enough conclusive evidence.

Sent to 18034141483 at: 2016-03-08 02:09:45 She won't. I kinda brought it up inadvertently on the phone tonight. She mentioned you were asking about her flight, and I said you got hit with a big case and were probably thinking logistics. She went straight to "what if she canst make it" and I assured her you wouldn't ever leave her hanging. Didn't confirm that was happening, but it was briefly chatted about as a what if
Sent to 18034141483 at: 2016-03-08 02:10:12 How did she respond
Received from 18034141483 at: 2016-03-08 02:10:59 Pretty much as long as she gets to have some fun this weekend, she's fine with whatever comes her way

Received from 18034141483 at: 2016-03-08 14:07:50 All I want to do is bail on this trip
Received from 19178211113 at: 2016-03-08 14:08:33 My work just got insane. I'm covering for a colleague for a filing due next Wednesday and she goes out on Friday for a while so I'm needed in the office
Received from 19178211113 at: 2016-03-08 14:08:53 So I think I have to skip my girls trip cuz there is no one else to cover

Received from 18034141483 at: 2016-03-08 14:10:46 If you truly want to, you should bail before I do. Say it's doctors orders. No one will debate that
Sent to 19142603729 at: 2016-03-08 14:10:02 That does sound nice. So yes, you're suggesting the whole weekend?
Sent to 18034141483 at: 2016-03-08 14:10:58 Because I'm planning to circulate my bowing out later today. And I think there's about a 5% chance I would be about to make it at all late on Friday.

Sent to 19178211113 at: 2016-03-08 14:15:22 Okay make a rez - the later the better for me Bc then there is less chance I'm working.
Received from 18034141483 at: 2016-03-08 14:15:27 Would you keep my white lie a secret?

Received from 18034141483 at: 2016-03-08 14:17:10 Bottom line is I could probably drive up late Thursday and then sit at home while everyone is out n about on Friday, but that is so stressful for me Bc then I am half assing the trip and half assing my work. And that will just be the worst feeling ever
Received from 18034141483 at: 2016-03-08 14:17:56 So I am choosing me by bailing Bc it's better for my state of mind / stress levels and thus better for my work product.

Received from 19142603729 at: 2016-03-08 14:53:50 I'm waiting to pull out of the trip Bc Cj is contemplating doing so as well and we agreed it looks better if she

Sent to 19142603729 at: 2016-03-08 14:54:38 I think I'm gonna pay for a rented car for Kenzie. I found one for like $75 with unlimited mileage.

Sent to 17033381112 at: 2016-03-09 02:41:11 Bad news - I have a late meeting tomorrow running until 7. As such could we reschedule dinner to Thursday? I will be in a much better state of mind.
Received from 17033381112 at: 2016-03-09 03:17:46 I have plans Thursday but I was going to suggest dinner at Cafe Milano so couldn't you take a cab and meet me there after and I make a 7:15 reservation ?

Sent to 19142603729 at: 2016-03-10 15:38:06 Birthdays are a big component of identity
Sent to 19142603729 at: 2016-03-10 15:38:24 Which is why I don't want a Christmas baby
Sent to 19142603729 at: 2016-03-10 15:40:23 Christmas babies are not ideal. But I do think that the kids that come out okay in that front are the ones with parents that super aware of that and provide healthy solutions
Received from 19142603729 at: 2016-03-10 15:40:37 And if you think about it... Picking our kids bday is like the FIRST decision we will make as parents
Sent to 19142603729 at: 2016-03-10 15:41:00 There is so much to consider.
Sent to 19142603729 at: 2016-03-10 15:41:27 I think its definitely important but very low on the spectrum of important life decisions for our child.

Sent to 19142603729 at: 2016-03-10 15:42:42 I absolutely hated my birthday but I honestly dont think it affected me all that much in the overall scheme of life.
Sent to 19142603729 at: 2016-03-10 15:43:02 But like you got presents basically every 6 months
Received from 19142603729 at: 2016-03-10 15:43:08 That affected you
Sent to 19142603729 at: 2016-03-10 15:45:17 If we have a kid close to christmas then we'll be sure to celebrate the half birthdays in some capacity. Whether its a gift or doing something they look forward too. Like making an annual event we can do with their friends. Doesnt have to be a "half birthday celebration" per se, but something they know to look forward to every year.
Sent to 19142603729 at: 2016-03-10 15:45:34 Fine.
Sent to 19142603729 at: 2016-03-10 15:47:38 I think our kids are going to be the happiest kids on the block, so Im not really worried about it. They will have a doting mother, a cool ass dad (who will be more strict than their mom thinks he will be), a bunch of cavaliers, a pool, and most importantly, a fun, active and loving house. Everyday. I honestly think THATS what is most important.
Received from 19142603729 at: 2016-03-10 15:48:18 Their gonna be cute, smart and confident.
Sent to 19142603729 at: 2016-03-10 15:48:40 And very well cultured and impeccably dressed.
Sent to 19142603729 at: 2016-03-10 15:51:06 Honestly babe, I love the absolute shit out of you so I think having two happy and loving parents that take care of their kids properly is the best thing for them. Everything else is very important too, but not worth having a panic attack over.
Received from 19142603729 at: 2016-03-10 16:17:19 Fine.

Received from 17034991766 at: 2016-03-11 12:31:38 I had a dream that there was this lottery ticket. You picked the numbers and Hank paid for it and then I had it and was the person who had to bring it for claiming Bc I was the only in state person so you needed me and asked for my help. And I was like I'm not bringing it in and helping unless we split the winnings. And you agreed. And then I brought it in and it hit and won 118 million dollars. And then you found out actually it didn't matter that the person was in state who brought it in and so you were like never mind I'm not splitting the money w you. But you were still gonna split it with Hank. And so I was like dude that was the agreement. And you were like fuck off I'm not splitting it with you. So I yelled and pleaded w you about fucked up

that was and how could you do this when we had an agreement and you were just like no I'm not giving you any of the winnings. So I kidnapped taco and threatened to let him loose. And at first you fought me and then were like whatever fuck off I don't want him. And then I woke up and I hate you.

That's what HE needs to be happy. It's just how some guys are programmed. It's somewhat self serving as well if you think about it. Obviously it's incredibly sweet and endearing but he is doing it Bc it makes him happy to be so nice

Sent to 17036086748 at: 2016-03-11 15:39:47 Look at any parents
Sent to 17036086748 at: 2016-03-11 15:43:09 Let me put it this way - if my relationship w Chris were a movie - the most boring parts are when I am the happiest. And the most interesting parts are when I am the most unhappy, Bc conflict is interesting but it's also not the key to happiness.
Sent to 17036086748 at: 2016-03-11 15:45:27 Having a base boring relationship so to speak, opens up your ability to focus on the rest of your life, which is always full of dramatics. Be it work or family or friends. For me personally it's nice to have a nice reliable husband who doesn't add or create drama in my life. He supports and helps me with the drama created from other parts of my life. And it enables me to focus on things outside our relationship. I'm not like drained by having to "manage" us on a daily basis
Sent to 17036086748 at: 2016-03-11 15:47:58 I see fiery relationships and I am exhausted by them. I can't be happy and fighting and managing someone else all the time like my sister or my mother does. Nikki and borzou are kind of that way too. Or at least they were as I know they fought a lot. It's not to say they aren't happy or that isn't an option. But it isn't an option for me. I need a Xanax version of a person. But an adderall version.
Sent to 17036086748 at: 2016-03-11 15:48:25 *not an adderall version
Sent to 17036086748 at: 2016-03-11 15:51:05 And I guarantee you that Brian as idiosyncrasies. He is not just plain plain plain. But I also know you won't see those until you spend more time and intimate time w him. And look maybe it's still just doesn't make you happy. But I would urge to try it. And try to envision what long term looks like.
Sent to 17036086748 at: 2016-03-11 15:51:34 Bc fuck, if you want to have kids, isn't that enough dramatics??? That will certainly always keep your life interesting.

Sent to 17036086748 at: 2016-03-11 16:01:21 Yes yes a MILLION times yes
Sent to 17036086748 at: 2016-03-11 16:01:34 You hit the nail on the fucking head I couldn't agree more
Sent to 17036086748 at: 2016-03-11 16:01:46 And ur adderall Xanax analogy was PERFECTION.
Received from 17036086748 at: 2016-03-11 16:01:51 I agree I want a Xanax guy
Received from 17036086748 at: 2016-03-11 16:02:05 But even tho Xanax mellows u out, it still feels good
Received from 17036086748 at: 2016-03-11 16:02:10 Take it from me Xanax guys are harder to find
Received from 17036086748 at: 2016-03-11 16:02:14 And I'm saying Brian is ambien he just puts me to sleep.
Received from 17036086748 at: 2016-03-11 16:02:16 Hahahahaha

Sent to 17036086748 at: 2016-03-11 16:02:44 I would recommend exploring it more
Received from 17036086748 at: 2016-03-11 16:02:51 Bc he is funny thro text. Even

keeled Xanax chill guys are usually at least funny
Received from 17036086748 at: 2016-03-11 16:03:02 It might just be your used to relationships being dramatic
Received from 17036086748 at: 2016-03-11 16:03:10 But that hasn't worked so
Received from 17036086748 at: 2016-03-11 16:03:33 Like look at mickeys husband Kevin, or Ron, they are super chill and quiet and monotone but they have like a sense of humor at least
Received from 17036086748 at: 2016-03-11 16:03:44 Yes but not every moment
Sent to 17036086748 at: 2016-03-11 16:03:51 They are so funny Bc they reserve it
Received from 17036086748 at: 2016-03-11 16:03:55 I don't want drama at all, it's just all work with Brian, it's not natural with him
Sent to 17036086748 at: 2016-03-11 16:04:18 It's too early for it to be natural
Sent to 17036086748 at: 2016-03-11 16:04:29 I have to make the effort to make conversation at dinner, otherwise he's just asking me dumb generic shit
Received from 17036086748 at: 2016-03-11 16:04:31 If he were too comfortable w you you'd freak out. That was frank.
Sent to 17036086748 at: 2016-03-11 16:05:04 I hear your point. I do. And I'm not disregarding it
Sent to 17036086748 at: 2016-03-11 16:05:20 I just think that it's small potatoes and temporary
Received from 17036086748 at: 2016-03-11 16:05:30 I could be wrong of course
Sent to 17036086748 at: 2016-03-11 16:06:23 I just think like okay - when people ask me how married life is - my answer is short and boring
Received from 17036086748 at: 2016-03-11 16:06:41 Great! Bc happiness is just bland. It doesn't have a funny or dynamic story
Sent to 17036086748 at: 2016-03-11 16:07:02 If we are fighting then it's like a whoooooole thing and a great discus.

Sent to 17036086748 at: 2016-03-11 16:08:00 I know Laura struggles w this. She thinks the relationship is boring if there aren't things that need constant management. It's just horrible Bc I fear you doesn't know how to be happy

Sent to 17036086748 at: 2016-03-11 16:08:56 I think the thing to do is - have sex w him. And then be silly. And see if he is silly back.
Sent to 17036086748 at: 2016-03-11 16:09:10 Make him talk about controversial things.
Sent to 17036086748 at: 2016-03-11 16:09:21 Chris and I laugh the most over me saying outrageous things
Sent to 17036086748 at: 2016-03-11 16:10:34 In the scheme of things, the baggage Brian seems to carry just doesn't seem to be that costly. And I think he has a lot to offer.
Sent to 17036086748 at: 2016-03-11 16:11:08 I don't give a damn if you break his heart - we aren't close enough for me to care about him. I worry about you losing a good opportunity for happiness.

Sent to 17036086748 at: 2016-03-11 16:18:34 Yah I agree and I've been starting to do that (be silly, make fun of him, ask him his opinion on things), but like we said, he might just be doing/saying anything right now to placate me so he can tap that ass
Sent to 17036086748 at: 2016-03-11 16:18:57 Maybe once he's getting it he'll loosen up and come out of his shell
Sent to 17036086748 at: 2016-03-11 16:19:30 And if he doesn't have a shell, and this is just how he is then no harm done like u said, moving on
Sent to 17036086748 at: 2016-03-11 16:20:03 It's not like I'm emotionally invested in this and ur right whatever, I'm 30, I shouldn't care anymore about the # of ppl I've slept with or shit like that

Sent to 18034141483 at: 2016-03-14 16:27:09 I am excited to have kids but I do get worried / bummed about how it will affect our traveling
Sent to 18034141483 at: 2016-03-14 16:32:36 I agree
Sent to 18034141483 at: 2016-03-14 16:32:49 It's def going to put a damper on things the next couple of years
Received from 18034141483 at: 2016-03-14 16:33:10 I think I'm just bummed out by the timing you know?
Sent to 18034141483 at: 2016-03-14 16:33:27 It's like we finally have the ability to travel and go thru our list of places we want to see
Sent to 18034141483 at: 2016-03-14 16:33:48 And it is coinciding w the time for baby making
Sent to 18034141483 at: 2016-03-14 16:34:41 I bet it's the dilemma for most people (who can afford to travel)
Received from 18034141483 at: 2016-03-14 16:34:48 Yup
Received from 18034141483 at: 2016-03-14 16:35:16 We just have to remember we will only continue to keep earning and kids don't mean our social lives have to die
Sent to 18034141483 at: 2016-03-14 16:35:32 So it's just a short period of delay
Sent to 18034141483 at: 2016-03-14 16:36:15 Yep. It's not a pay increase right now, but Patrick was asked to fill a spot at his firm in another practice group
Sent to 18034141483 at: Data Missing This morning.
Sent to 18034141483 at: 2016-03-14 16:36:28 Ooooo! Is he excited??
Sent to 18034141483 at: 2016-03-14 16:36:35 And what practice group
Received from 18034141483 at: 2016-03-14 16:38:23 Sounds like it. I guess it would be product and professional liability
Data Missing 18034141483 at: 2016-03-14 16:38:34 Still litigation, but much better caliber of work
Data Missing 18034141483 at: 2016-03-14 16:38:42 I haven't gotten many deets
Received from 18034141483 at: 2016-03-14 16:38:57 Oh for sure! That's like the most prestigious subgroup in our litigation dept
Sent to 18034141483 at: 2016-03-14 16:39:06 Oh cool!
Sent to 18034141483 at: 2016-03-14 16:39:19 I don't know much. But his boss is pissed
Received from 18034141483 at: 2016-03-14 16:39:26 Cuz it's like so much brief writing
Received from 18034141483 at: 2016-03-14 16:39:33 So you have to be smart for certain
Received from 18034141483 at: 2016-03-14 16:40:04 Ah well they love his work. And he's made it pretty clear he won't be doing what he's doing now for long, soooo make room for somewhere else
Sent to 18034141483 at: 2016-03-14 16:40:17 I guess they listened!
Received from 18034141483 at: 2016-03-14 16:40:18 Remind the group he is right now

Received from 18034141483 at: 2016-03-14 16:41:04 Got it
Received from 18034141483 at: 2016-03-14 16:41:24 So it sounds like his litigation is kind of like ours
Sent to 18034141483 at: 2016-03-14 16:41:46 In the sense that it's all one practice group (litigation) but there are like smaller subteams
Sent to 18034141483 at: 2016-03-14 16:41:49 That specialize
Received from 18034141483 at: 2016-03-14 16:42:17 And he would be switching his focus from insurance to product liability. Does that sound right?
Received from 18034141483 at: 2016-03-14 16:43:03 Yes

Sent to 19142603729 at: 2016-03-16 14:36:46 Shit I just realized I was searching for March and not April Bc I'm an idiot. And option A isn't even an option Bc that late flight on Thursday isn't available.

Sent to 17038995561 at: 2016-03-17 03:13:03 Before washing your face you are always supposed to first wash your hands
Sent to 17038995561 at: 2016-03-17 03:13:42 Otherwise you could actually be rubbing dirt onto your face along with the facial soap

Sent to 13144358004 at: 2016-03-17 13:37:21 Your instincts take over. Your brain has no control over it. It's weird in the very beginning how primal it is
Received from 13144358004 at: 2016-03-17 13:38:11 I'm terrified I'm gonna be like bummed out or disappointed w a boy. And that's terrible to feel like that Bc I do want a boy but i can help but worry I might be bummed
Received from 13144358004 at: 2016-03-17 13:38:50 You could be at first but it won't last. I think that if my next one is a boy I will be a little sad when I find out

Received from 13144358004 at: 2016-03-17 13:42:40 They can't control their pee and their little wieners shoot it everywhere
Received from 13144358004 at: 2016-03-17 13:42:40 I know all the ways girls are supposedly better
Sent to 13144358004 at: 2016-03-17 13:43:16 They are more tender, they are develop faster and are therefore "easier"
Received from 13144358004 at: 2016-03-17 13:43:25 And my little boy is ALL boy. But all kids r different
Sent to 13144358004 at: 2016-03-17 13:44:10 Yes, like max is destructive and rambunctious and loud and just generally nuts. But when he decides he needs a mommy cuddle it's the best thing in the whole world

Received from 18034141483 at: 2016-03-17 14:45:16 This is going to sound kind of awful but if money is so tight then maybe she should look into food stamps. It's not that hard to qualify and with two kids I bet she would

Sent to 13144358004 at: 2016-03-17 14:48:34 I have also heard that girls r more difficult as babies as far as figuring out what's wrong with them. Like if a boy is crying it's cause he is either hungry, poopy diaper or tired

Received from 18034141483 at: 2016-03-22 13:55:36 You want a good store of folic acid
Sent to 18034141483 at: 2016-03-22 13:55:50 So get on that - and you'll be great in three weeks
Sent to 18034141483 at: 2016-03-22 13:55:56 I ordered an all natural from Amazon

Received from 18034141483 at: 2016-03-22 14:01:04 I'm not worried about the folic acid. You only need to be on it for like a month before getting pregnant.
Received from 18034141483 at: 2016-03-22 14:01:12 Least of my concerns
Received from 18034141483 at: 2016-03-22 14:01:27 What type did you choose?
Received from 18034141483 at: 2016-03-22 14:02:00 But I am freaking out Bc this all feels like normal to be taking such steps but like its not normal and I don't feel ready to have kids. Not at all.

Sent to 18034141483 at: 2016-03-22 14:24:16 Don't get me started. I'm emptying my savings account on the damn House Reno. Money is scary. But I just tell myself, if others can do it, we can. And when I get pregnant we still have 10 months to figure stuff out
Sent to 18034141483 at: 2016-03-22 14:24:55 No I know. It's just that like I make so much money at my job and the idea of not having that income anymore is so scary

Received from 18034141483 at: 2016-03-22 23:55:16 I understand. You're emotional
Received from 18034141483 at: 2016-03-22 23:55:33 Next time you just have to be direct about what you want him to do.
Sent to 18034141483 at: 2016-03-22 23:56:20 But I totally understand why you feel upset. It was an intense thing that you experienced and you wanted him to share the feeling you were experienced.

Received from 18034141483 at: 2016-03-22 23:56:59 I could tell he knew what he should have done. He just didn't want to do it. And I didn't want to tell him too. Major crossroads
Received from 18034141483 at: 2016-03-22 23:57:57 Yea I mean that's a tough situation
Sent to 18034141483 at: 2016-03-22 23:57:38 I can't decide if I want to be mad at him when he gets home
Sent to 18034141483 at: 2016-03-22 23:57:58 Bc he also knows that if you really reallllly wanted him to stay you would've said so
Sent to 18034141483 at: 2016-03-22 23:58:22 I think it's worth raising to him when he gets home. But you have to lead w "I know I didn't specifically tell you what I wanted"
Sent to 18034141483 at: 2016-03-22 23:59:18 And then explain that you wish he wouldn't make you ask in situations like that and that he could ask about your feelings more
Received from 18034141483 at: 2016-03-23 00:00:05 I know you're right. And he'll be all like "I know" "I'm sorry" and say all the right things.
Sent to 18034141483 at: 2016-03-23 00:00:29 Sometimes I just think he understands it in theory, but can't remember when it comes to practice.

Sent to 18034141483 at: 2016-03-23 00:01:30 I think it's just that he wanted to do what he wanted to do
Sent to 18034141483 at: 2016-03-23 00:01:41 And I think men do what they can get away with
Sent to 18034141483 at: 2016-03-23 00:02:12 Hence why we are forced to be explicit when we really want something
Received from 18034141483 at: 2016-03-23 00:02:41 Do you ever feel like the more explicit you are, the more youll be called a nag?
Received from 18034141483 at: 2016-03-23 00:02:47 It's such a double edge sword
Received from 18034141483 at: 2016-03-23 00:02:57 I know what you're saying but no I don't
Sent to 18034141483 at: 2016-03-23 00:02:57 Nag=controlling
Sent to 18034141483 at: 2016-03-23 00:03:19 Bc I just accept I would rather be open about my feelings than secretly resentful
Sent to 18034141483 at: 2016-03-23 00:03:25 I think nag beats resentful
Received from 18034141483 at: 2016-03-23 00:03:53 And sometimes when I am open about my feelings Chris will fire back and be like I hear you but I really want to do this so can you please accept this
Received from 18034141483 at: 2016-03-23 00:04:17 And then I accept it sometimes. Just like sometimes he accepts what I want. Compromise

Sent to 19142614611 at: 2016-03-25 03:09:52 We are very interested if we could get it for 3-3.1. Which I realize is a cut below the offer price but certainly could be possible
Received from 19142614611 at: 2016-03-25 03:09:56 At first glance the issue that I see is the few number of units.
Sent to 19142614611 at: 2016-03-25 03:10:09 Why is that an issue
Sent to 19142614611 at: 2016-03-25 03:10:35 If there are issues with the building they aren't spilt between many units
Received from 19142614611 at: 2016-03-25 03:10:54 Could lead to large assessments
Received from 19142614611 at: 2016-03-25 03:10:58 Right yea there is a 1k assessment already

Sent to 19142614611 at: 2016-03-25 03:13:10 I'll pull full comps on it
Received from 19142614611 at: 2016-03-25 03:13:34 And it looks like the unit we are interested in previously rented for $13k a month in like 2012
Received from 19142614611 at: 2016-03-25 03:13:38 Which is great.

Received from 19142614611 at: 2016-03-25 03:14:14 It's just a littttle high for us
Sent to 19142614611 at: 2016-03-25 03:14:53 I think we could live w the assessment risk if the building is in relatively good condition. Worth it for all of the extras that we like about it
Received from 19142614611 at: 2016-03-25 03:15:16 Let me see what the ppsf is around there for that size but I would t think twice about going in at 2.9

Sent to 19142614611 at: 2016-03-25 03:15:55 Okay great! If you think that is reasonable and not like crazy talk then great!
Received from 19142614611 at: 2016-03-25 03:16:29 Let me see if that's reasonable but going in 10% under ask is not unheard of

Sent to 19142614611 at: 2016-03-25 17:39:58 Cuz it's a long apt
Received from 19142614611 at: 2016-03-25 17:40:04 But that's what a walk thru is for
Received from 19142614611 at: 2016-03-25 17:41:01 Yep. It has 3 exposures so that's good
Sent to 19142614611 at: 2016-03-25 17:41:43 Yea but the kitchen doesn't have any
Received from 19142614611 at: 2016-03-25 17:41:56 I just hope it doesn't feel stuffy

Sent to 19142614611 at: 2016-03-25 17:44:29 A little over 2,000
Received from 19142614611 at: 2016-03-25 17:46:58 Yea I feel like 150-200 sq feet is a big difference
Sent to 19142614611 at: 2016-03-25 17:47:08 Esp as this is a 3 bdrm and Howard is only 2
Received from 19142614611 at: 2016-03-25 17:47:14 It totally depends on the layout
Received from 19142614611 at: 2016-03-25 17:47:26 So this will have significantly less living space outside the bedrooms
Sent to 19142614611 at: 2016-03-25 17:47:31 Howard has a LOT of hallway

Sent to 19142603729 at: 2016-03-25 22:09:09 Not really about the specific Chelsea

apartment just my worries/concerns in general. I did some research earlier today and then also talked out different scenarios with him. Firstly, he definitely knows his shit and I would go with him as a realtor even if he wasnt family. Secondly, because he is family, we discussed many options that could be well suited for us.
Received from 19142603729 at: 2016-03-25 22:09:34 And there are many.

Received from 17034991766 at: 2016-03-29 02:12:41 Kasich is more moderate. And his policies are great but he is too "dull" when you have trump in the race.

Sent to 17039551261 at: 2016-03-29 13:36:08 If you feel ok and just the throat it could be the Flovent. Stop it for 48 hours and see how you feel.

Sent to 14018641983 at: 2016-03-31 20:48:26 Are you reading any 'how to get pregnant books'
Received from 14018641983 at: 2016-03-31 20:49:22 Let me rephrase. How many 'how to get pregnant' books are you reading?
Received from 14018641983 at: 2016-03-31 20:50:09 I'm not reading any
Received from 14018641983 at: 2016-03-31 20:50:16 I've googled
Sent to 17034991766 at: 2016-03-31 20:50:26 Yay!!
Received from 18034141483 at: 2016-03-31 20:50:36 Haha really? Why's that
Received from 14018641983 at: 2016-03-31 20:50:40 Wow really?! I feel shocked!!
Received from 18034141483 at: 2016-03-31 20:51:11 Lemme guess an upcoming party or vacation interfering? 😉😜
Sent to 14018641983 at: 2016-03-31 20:51:28 Wtf is a book gonna say for 200 pages??
Sent to 14018641983 at: 2016-03-31 20:51:39 It's article material
Sent to 17034991766 at: 2016-03-31 20:51:52
Sent to 18034141483 at: 2016-03-31 20:51:55 Hahah no
Received from 17034991766 at: 2016-03-31 20:52:11 You go girl
Sent to 18034141483 at: 2016-03-31 20:52:31 I just don't want a May baby, and a march baby may be a little too soon.
Sent to 18034141483 at: 2016-03-31 20:52:37 Like I don't think my body will be ready
Sent to 18034141483 at: 2016-03-31 20:52:48 To play devils advocate
Received from 18034141483 at: 2016-03-31 20:52:58 Shouldn't you let your body show whether it is ready?
Received from 18034141483 at: 2016-03-31 20:53:09 Cuz if it isn't won't you just not get pregnant
Sent to 18034141483 at: 2016-03-31 20:53:29 No it's more like make sure your cervix is GTG so carrying the baby won't be an issue
Received from 14018641983 at: 2016-03-31 20:53:29 I'm not sure. Kerri Carey told me when I'm ready she has all these 'how to get pregnant' books but I'm OBVIOUSLY not going to ask her because she'll think we're like getting immediately pregnant and tell the whole fam
Received from 18034141483 at: 2016-03-31 20:53:35 Ah okay
Sent to 18034141483 at: 2016-03-31 20:53:40 I would ask your doc then
Sent to 18034141483 at: 2016-03-31 20:53:42 My last follow up I scheduled for June 22
Sent to 14018641983 at: 2016-03-31 20:54:02 Uh I'm pretty sure you fuck
Received from 14018641983 at: 2016-03-31 20:54:06 That's how you get pregnant
Received from 18034141483 at: 2016-03-31 20:54:10 She said it wouldn't be the end of the world to be pregnant then, but it would be nice to give it that time

Sent to 14018641983 at: 2016-03-31 20:54:24 The recommendation being to have sex every other day
Sent to 18034141483 at: 2016-03-31 20:54:43 Who knows. I'll prob get pregnant in like October
Received from 14018641983 at: 2016-03-31 20:54:48 You also start taking prenatals 3 months before you want to get pregnant
Sent to 14018641983 at: 2016-03-31 20:54:46 Every other day?!
Sent to 14018641983 at: 2016-03-31 20:54:55 Yup.
Received from 14018641983 at: 2016-03-31 20:55:19 That seems unnecessary if you only ovulate for a short time
Sent to 18034141483 at: 2016-03-31 20:55:30 Yea i mean
Received from 14018641983 at: 2016-03-31 20:55:32 How long do you ovulate for?
Sent to 18034141483 at: 2016-03-31 20:55:38 I think it's a tricky decision
Received from 14018641983 at: 2016-03-31 20:55:49 You only ovulate for 24 hours
Sent to 18034141483 at: 2016-03-31 20:55:52 It is
Received from 14018641983 at: 2016-03-31 20:56:01 But semen live for up to 72 hours
Sent to 14018641983 at: 2016-03-31 20:56:14 Right so...every other day?
Received from 14018641983 at: 2016-03-31 20:56:32 And the rationale is that during the week of ovulation you have sex every other day so you always have live sperm in you when your egg actually gets released
Sent to 14018641983 at: 2016-03-31 20:56:56 But not every day Bc then the sperm aren't gonna be fully developed.
Sent to 18034141483 at: 2016-03-31 20:57:21 I think you talk it over w Patrick.
Received from 18034141483 at: 2016-03-31 20:57:28 Lay out all the pros and cons
Sent to 18034141483 at: 2016-03-31 20:57:32 See what he says
Received from 14018641983 at: 2016-03-31 20:57:35 Hm. I was thinking more of precisely determining ovulation and then saving up a shot load of sperm for that time
Sent to 14018641983 at: 2016-03-31 20:57:46 Nope don't want to do that
Sent to 14018641983 at: 2016-03-31 20:58:02 Apparently then it could be "stale" sperm if it's been saved for too long
Sent to 14018641983 at: Data Missing Seeeeeeeee???
Received from 14018641983 at: 2016-03-31 20:58:25 This is what the BOOKS ARE FOR
Sent to 14018641983 at: 2016-03-31 20:58:29 And you never know precisely when your egg drops. Hence the week of rationale
Sent to 14018641983 at: 2016-03-31 20:58:44 Yea but I know all of this from talking to my doctor and reading a few articles.
Data Missing 14018641983 at: 2016-03-31 20:59:01 And in the course of 5 mins we have covered the entire topic
Data Missing 14018641983 at: 2016-03-31 20:59:56 Well I'm glad I brought it up then. I knew you would know. You're my smartest friend
Received from 14018641983 at: 2016-03-31 20:59:59 It's really pretty simple if you are healthy. I imagine the books are for people experiencing trouble
Received from 14018641983 at: 2016-03-31 21:00:17 And so some marketing asshole / genius is preying on those poor souls
Sent to 14018641983 at: 2016-03-31 21:00:46 So this begs the question - you getting knocked up soon?????
Sent to 14018641983 at: Data Missing Yeah probably
Sent to 14018641983 at: 2016-03-31 21:01:22 Probably not within the next few months
Sent to 14018641983 at: 2016-03-31 21:01:26 You off birth control?
Sent to 14018641983 at: 2016-03-31 21:01:34 So depends on your definition of soon
Data Missing 14018641983 at: 2016-03-31 21:01:51 No!!!!
Data Missing 14018641983 at: 2016-03-31 21:02:07 So here's what you need to know then
Received from 14018641983 at: 2016-03-31 21:02:31 My Dr said that after I stop taking my bc things will be weird for like a month and then the next month 'most

people conceive'
Received from 14018641983 at: 2016-03-31 21:02:43 It is recommended that you get one natural period off birth control
Sent to 14018641983 at: 2016-03-31 21:02:52 I was like 'birch I'm pretty sure it ain't that easy'
Received from 14018641983 at: 2016-03-31 21:03:02 But she was like 'no. It is.'
Received from 14018641983 at: 2016-03-31 21:03:28 Which basically means you go off and immediately get your period like normal when you stop Bc. Then you continue on and once you get your period "naturally" you know you are ovulating
Sent to 14018641983 at: 2016-03-31 21:03:42 It's possible to get pregnant before you naturally get your period of course.
Received from 14018641983 at: 2016-03-31 21:03:55 That basically means you got pregnant the first time you ovulated.
Sent to 14018641983 at: 2016-03-31 21:04:08 Yeah but I think I would abstain until things notmaliE
Received from 14018641983 at: 2016-03-31 21:04:22 And your doc is right - if you are healthy and fertile it's not hard
Received from 14018641983 at: 2016-03-31 21:04:22 Normalize
Sent to 14018641983 at: 2016-03-31 21:04:39 Why do you need to "normalize"?
Sent to 14018641983 at: 2016-03-31 21:04:52 Do you understand how Bc works?
Sent to 14018641983 at: 2016-03-31 21:05:01 I dunno...I just want to know when it's happening I guess
Received from 14018641983 at: 2016-03-31 21:05:28 Well then you should use condoms
Sent to 14018641983 at: 2016-03-31 21:05:45 Bc all bets are off once you stop taking Bc
Received from 14018641983 at: 2016-03-31 21:05:52 Hahah I'm saying I don't get my period. Ever. With the bc I'm taking. So I'd want to get my first period after stopping and then the next month start trying
Sent to 14018641983 at: 2016-03-31 21:06:06 Right but
Sent to 14018641983 at: 2016-03-31 21:06:10 Hence 'abstain'
Received from 14018641983 at: 2016-03-31 21:06:19 If you have sex after you go off birth control
Sent to 14018641983 at: 2016-03-31 21:06:23 You can get pregnant
Sent to 14018641983 at: 2016-03-31 21:06:32 Even if you aren't "tryin"
Received from 14018641983 at: 2016-03-31 21:06:42 Do you know what abstain means???
Sent to 14018641983 at: 2016-03-31 21:06:46 Hence why they recommend to start prenatals before going off bc
Received from 14018641983 at: 2016-03-31 21:06:53 It means poor Kevin.
Sent to 14018641983 at: 2016-03-31 21:07:08 Right but whatever
Sent to 14018641983 at: 2016-03-31 21:07:31 My personal opinion is just start prenatals.
Sent to 14018641983 at: 2016-03-31 21:07:37 They are just a multivitamin.
Received from 18034141483 at: 2016-03-31 21:07:58 It's more fun to chat with you

Sent to 14018641983 at: 2016-03-31 21:08:04 I actually already take prenatals
Received from 18034141483 at: Data Missing Haha agreed.

Sent to 14018641983 at: 2016-03-31 21:09:26 Yeah except all the booz and pills. But my Dr was also like 'yeah just stop those whenever you actually start trying'
Received from 18034141483 at: 2016-03-31 21:09:30 Uh ohhhhh is she gonna be the craziest pregnant lady ever?

Received from 18034141483 at: 2016-03-31 21:10:02 Sounds like she is precisely on our timeline.
Received from 18034141483 at: 2016-03-31 21:10:12 This summer she wants to get knocked up
Sent to 14018641983 at: 2016-03-31 21:10:39 I thought I would have to stop like a few days before...but both my obgyn and psych were like nah you'll be good. Two days if you're paranoid...I was like damn...
Received from 18034141483 at: 2016-03-31 21:10:57 Everybody's gonna be knocked up
Sent to 14018641983 at: 2016-03-31 21:10:58 Oh yea. That stuff doesn't linger.
Sent to 18034141483 at: 2016-03-31 21:11:04 So weird.
Sent to 14018641983 at: 2016-03-31 21:11:11 EVERYONE will know when I'm pregnant because I won't be able to tell my mom or sister because they can't keep a secret

Received from 14018641983 at: 2016-03-31 21:15:41 Hm. Oh I thought you weren't on it bc of your endometriosis

Sent to 14018641983 at: 2016-03-31 21:16:03 Like you don't need it bc it's harder to get pregnant
Received from 14018641983 at: 2016-03-31 21:16:37 Who am I thinking of who has never been on bc and doesn't use condoms??
Sent to 14018641983 at: 2016-03-31 21:17:04 I AM on it Bc of endometriosis.

Received from 15717218115 at: 2016-04-02 19:47:53 (1) fire cider - 2 tbsp, up to 3x a day
Sent to 15717218115 at: 2016-04-02 19:48:35 (2) ginger tea - which is basically just freshly sliced ginger that you bring to a boil and then simmer for 15-30 mins (depends on your patience and how strong you want it)
Sent to 15717218115 at: 2016-04-02 19:49:24 I just eyeball it w ginger to water ratio. Usually do like half a pot of water and maybe 1-2 tbsps of sliced ginger

Sent to 18034141483 at: 2016-04-04 00:51:17 Bc at the end of the night Kevin started saying maybe they should wait to be married a year
Received from 18034141483 at: 2016-04-04 00:51:35 But not gonna lie - part of me thinks that is Bc of the friend's wedding in Puerto Rico
Sent to 18034141483 at: 2016-04-04 00:52:07 He was sooooo obsessive about that. Wouldn't shut up about it for literally 30 minutes. Just kept repeating it and asking variations of the same question to Chris and me

Sent to 18034141483 at: 2016-04-04 00:57:33 Maybe we should try to chill for the weekend and not obsess over looming pregnancy
Sent to 18034141483 at: 2016-04-04 00:58:06 If that's even possible
Sent to 18034141483 at: 2016-04-04 00:58:26 I knowww!!! I'm excited

Received from 18034141483 at: 2016-04-04 00:59:01 I'm sure Amanda won't want to hear about it all weekend
Received from 18034141483 at: 2016-04-04 00:59:54 And I'm probably being paranoid, but I should prob stop talking to Patrick about it all the time. I think it's making him more nervous than excited
Received from 18034141483 at: 2016-04-04 01:00:12 I am looking into books now

Received from 16317933382 at: 2016-04-04 01:09:37 Thanks so much, Andrea! So exiting for you guys too - do you have plans to celebrate your one year? Truth is, it's been getting harder to get around the past couple weeks - everything's good but I get these shooting pains when I'm standing for too long so I've been trying not to do too much (other than getting to and from work). If you are ever around the hill though, please tell me! I would really love to see you. Or we could plan a phone date! Just about five weeks to go until our due date so if we don't figure something out before then, after is pretty close too - Anthony could always hang out with the baby for a few hours on a weekend :)
Received from 16317933382 at: 2016-04-04 01:21:28 Oh I totally understand! I will definitely let you know if I am around the hill. I had no idea your due date was so soon! So crazy and exciting!
Received from 16317933382 at: 2016-04-04 01:21:59 Chris and I do have plans for our one year - we taking the week and heading to hawaii. We are pretty excited.

Sent to 16317933382 at: 2016-04-04 01:23:39 I would love that! We got pregnant when we were away in August. Hawaii sounds like a great place for baby making :)

Received from 17038995561 at: 2016-04-04 01:31:44 Like costume jewelry
Received from 17038995561 at: 2016-04-04 01:33:14 I'd be more likely to end up with something like that rather than a regular diamond
Received from 17038995561 at: 2016-04-04 01:33:53 I don't have a problem w an emerald per se. I just don't like that ring. I think it's boring and generic
Sent to 17038995561 at: 2016-04-04 01:34:20 I know you don't want a "regular diamond" but there are tons of options
Received from 17038995561 at: 2016-04-04 01:34:45 Plus last we talked you were off marriage, are you rethinking it now?
Sent to 17038995561 at: 2016-04-04 01:35:27 No, i said a certain ring type would be more likely than another
Sent to 17038995561 at: 2016-04-04 01:37:48 Aside from the ring, a jew marrying a black is a big no no

Received from 18034141483 at: 2016-04-07 15:27:11 1. It's weird. Bc even though it's not a revelation about my dads role in campaigns and such (he's been this way my whole life), what has changed is the media / internet frenzy since he last did this stuff (dole's campaign)
Sent to 18034141483 at: 2016-04-07 15:28:26 So it is weird to know my dads name is becoming more frequently discussed publicly. I hope it doesn't become like actually recognizable. Bc that is just attention I don't want

Sent to 18034141483 at: 2016-04-07 15:33:54 As I told you, the only reason my dad is doing this campaign is for sport. He likes the challenge. It's like an egomaniac's chess game

Received from 18034141483 at: 2016-04-07 15:35:51 I think the weirdest thing is just how clear it is to me that politics, which governs the masses, is a game played by a few. My dad is a spin doctor. And I know how good he is at it.
Received from 18034141483 at: 2016-04-07 15:36:14 You know first hand! Better than anyone, except maybe your mom

Sent to 18034141483 at: 2016-04-08 18:36:12 Sorry, work is crazy. So it's a vibrator that also repairs your vagina after birth??
Sent to 18034141483 at: 2016-04-08 18:36:21 Or do you use it beforehand?
Received from 18034141483 at: 2016-04-08 18:36:34 So in general its like an electronic ben wa balls

Sent to 18034141483 at: 2016-04-08 18:37:13 one of the things that happens post birth is your pelvic floor is weakened, which is why bitches are always peeing themselves
Received from 18034141483 at: 2016-04-08 18:37:14 ??*
Received from 18034141483 at: 2016-04-08 18:38:03 Similar to Kegel exercises, Ben Wa balls and other shaped vaginal weightlifting equipment are recommended by gynecologists and obstetricians to increase vaginal elasticity and bladder control.
Sent to 18034141483 at: 2016-04-08 18:38:50 Factors such as pregnancy, childbirth, aging, being overweight, and abdominal surgery such as cesarean section, often result in the weakening of the pelvic muscles. This can be assessed by either digital examination of vaginal pressure or using a Kegel perineometer. Kegel exercises are useful in regaining pelvic floor muscle strength in such cases.
Sent to 18034141483 at: 2016-04-08 18:43:48 Huh. So we'll use this vibrator thing to strengthen our muscles and get us back in the mood

Sent to 17039751112 at: 2016-04-09 14:06:18 I volunteer and provide legal information to people in the landlord tenant resource center in DC. The laws are def going to be different there but I am familiar generally w letters like the one you've received.
Received from 17039751112 at: 2016-04-09 14:07:03 If you take a hard read of it - they don't actually threaten you with any outcome. Like "if you don't remove the animal you will be evicted"
Sent to 17039751112 at: 2016-04-09 14:09:08 They also don't give you any timeline to correct it which I would have to think would be mandated by Virginia law (it is in DC) in order for it to be an enforceable document. In DC you have to use a specific template document and fill in the relevant info (can't draft your own doc), which then functions as a "30 day notice to correct" - which is an official document.
Received from 17039751112 at: 2016-04-09 14:11:37 Saying immediately is likely not the law in Virginia. That isn't reasonable. Laws are my written like that. As such I would think that the letter they've given you is NOT legally enforceable in any way. It's just a threat to scare you (that works a lot of the time Bc people don't know how the law works in this area)
Received from 17039751112 at: 2016-04-09 14:11:51 * laws are not written like that

Sent to 17039751112 at: 2016-04-09 14:16:08 Keep in mind, I am not a practicing attorney in Virginia so I can't provide you legal advice on this matter. But as your friend these are my thoughts - 1. you shouldn't worry about being evicted. 2. They can't search your apt that's definitely illegal. 3. I think you should get the documents that make Remmie your companion animal whenever is convenient for you. Then I would forget this ever happened. Make them be aggressive if they want to be. But they likely won't ever bring it up again. Lie to your neighbor (lying isn't illegal remember) or just don't even speak to them. And then know if things escalate in the future, you have that companion letter document to cover you legally f they try to take legal action

Received from 17039751112 at: 2016-04-09 14:31:35 That's an overview of basic legal rights as a tenant. The relevant portion explains the procedure you landlord must take to start actual eviction. And if he dared to take it that far, you would be entitled to a trial (which doesn't cost you jack), which could drag things on for literally months and months. And you keep Remmie in the meantime.

Received from 17039751112 at: 2016-04-09 14:32:17 PLUS your landlord would have to either hire a lawyer or make filings and spend a lot of time in court - both of which he won't want to do.
Received from 17039751112 at: 2016-04-09 14:33:08 I bet he is just throwing this letter out there and hoping it sticks. He probably does not want to spend time or money following thru. It's a serious pain in the ass and you are a good tenant.

Received from 17039751112 at: 2016-04-10 12:10:19 This is going to sound odd but you know me know, & I just realized it – one of the 'things' I enjoy at parties/ your parties is when you get into a "heavy discussion" w one of the boys
Sent to 17039751112 at: 2016-04-10 12:10:39 Naturally 1 means several if not all others chirping in

Received from 17039751112 at: 2016-04-10 12:13:31 Lol even if one of the girls tries to nudge you. And you know what? While defeat has never been admitted, they are always rendered mute.

Received from 17039751112 at: 2016-04-10 12:15:10 And that is in by no means offense to them because I think they are genius (most) thats why it's even more terrific you come along & blow their theories out of the water. Help save my mind from thinking one way. And see a woman do that so well :)

Received from 18034141483 at: 2016-04-11 20:19:25 as for supplements - i am going to order the sea kelp and a fish oil. I just found another fish oil that doesn't have vitamin D added in - since we already have that in our prenatal vitamins

Received from 18034141483 at: 2016-04-12 01:32:42 Oh you can. I just also read that eggs are a great source of DHA plus a bunch of other nutrients
Sent to 18034141483 at: 2016-04-12 01:33:54 That was in reference to the the eggs. The link you sent me for the fish oil seems expensive? Like what's the reason to not just take the regular ones

Received from 18034141483 at: 2016-04-12 01:34:55 So yea they are expensive for sure. They were just rated the best on a bunch of tests and reviews.
Received from 18034141483 at: 2016-04-12 01:35:21 The ones I originally sent are second best - you can def take those instead if you prefer Bc of price
Sent to 18034141483 at: 2016-04-12 01:35:22 Patrick wants to take them too, so I want one we both can take
Received from 18034141483 at: 2016-04-12 01:36:08 Well so there are a lot of factors when picking fish oil - it's super intense. But there was a really good Amazon review that compared a ton of them in detail
Received from 18034141483 at: 2016-04-12 01:36:38 I read a bunch of articles and independent tests etc too. And it corroborates what the review says
Sent to 18034141483 at: 2016-04-12 01:37:21 But bottom line is Patrick can take any of them.
Sent to 18034141483 at: 2016-04-12 01:37:45 Being prenatal just means they have been designed to be target mg etc for pregnancy purposes

Received from 18034141483 at: 2016-04-15 15:40:31 Aw that's James Johnson aka Stump. He was a homeless man that helped out at the restaurants for many years. Patrick and I helped him out a lot. Eventually we moved him into an upstairs room at Cellar on Greene, where he helped me do odd projects during the day. One morning I got to work and he had had a stroke. I found him barely breathing, and within a day had passed away.

Received from 19178211113 at: 2016-04-18 17:17:31 I thought it was a growth or something. It is not
Received from 19178211113 at: 2016-04-18 17:18:00 It just means that the bone on the inside of your foot by your big toe will start to protrude. That's a bunion

Sent to 19178211113 at: 2016-04-18 17:18:05 I know

Received from 19178211113 at: 2016-04-18 17:18:56 Grandma bond had then
Received from 19178211113 at: 2016-04-18 17:19:09 It all has to do with your foot bone structure.
Received from 19178211113 at: Data Missing How do u know
Sent to 19178211113 at: 2016-04-18 17:19:28 Bc her toe angled in and she had a knobby foot. I remember.
Sent to 19178211113 at: 2016-04-18 17:19:48 The reason you get a bunion is Bc of your big toe. It starts to angle inwards

Received from 19142603729 at: 2016-04-18 22:52:31 #6FL one looks awesome and seems like it's a good price/sq foot right? I mean, it's huge and priced less than #5C.
Received from 19142603729 at: 2016-04-18 22:52:41 #5C does have a better kitchen however.
Received from 17036151722 at: 2016-04-18 22:53:36 And I feel like it's too high to be the appendix
Received from 19142603729 at: 2016-04-18 22:54:03 I think #6Fl seems fairly priced and could probably get #5C for less, but in my novice and amateur opinion, it doesn't seem they'd go less than 3.5 on either
Received from 18034141483 at: 2016-04-18 22:56:10 I'm going to go with kidney pain. Are you peeing just fine?

Received from 17036151722 at: 2016-04-18 22:57:55 It's like sore to the touch like my whole right back flank thing is a knot so maybe not inside?
Received from Data Missing at: 2016-04-18 22:58:35 Try an antacid/gasx to see if it helps or does nothing. At the very least it's more information.

Received from 17038995561 at: 2016-04-19 17:18:11 Bad news is my scalp is now like yours I think. I have all these little red splotches and bumps. It's partially my own fault Bc I keep picking at them which I know you're gonna yell at me for but you know how I can't resist a good pick....

Data Missing 17038995561 at: 2016-04-19 17:56:44 He is undateable Bc he's unable to care/prioritize another person before himself. That's not a partner.

Received from 17038995561 at: 2016-04-19 18:00:34 If i don't hear from him by Sunday I'm leaving all of the dogs stuff on his doorstep
Received from 17038995561 at: 2016-04-19 18:01:32 I realize you had to get there yourself, but I urge you to look backwards now only to be better moving forward, and try to see when exactly you could have seen that you two were not compatible.
Sent to 17038995561 at: 2016-04-19 18:02:44 I'm just not going to date anyone like this again

Sent to 17038995561 at: 2016-04-19 18:02:56 I also think you should just be the adult since he isn't and call him and tell him that you realized last night that this is not what you want and you will be leaving his dog stuff at his place at X date and time. And just cut it from there.

Received from 17038995561 at: 2016-04-19 18:25:14 Also it's just a process. It takes time. You could get a dog that is easier to potty train. Certain breeds are better than others.

Received from 19142603729 at: 2016-04-19 22:51:40 ?
Received from 19142603729 at: 2016-04-19 22:51:43 Apple like updated the MacBook Air today and it effed up the order so the delivery wouldn't be until late next week
Sent to 19142603729 at: 2016-04-19 22:51:51 And I need a computer for work next Tuesday
Received from 19142603729 at: 2016-04-19 22:52:18 So I called them and they said that now the pentagon city location has my exact computer in stock and so we should just go in and buy it.
Sent to 19142603729 at: 2016-04-19 22:52:29 Okay
Sent to 19142603729 at: 2016-04-19 22:52:42 So they cancelled the order and we need to go ASAP
Received from 19142603729 at: 2016-04-19 22:52:53 So I can get word downloaded on it this week.

Data Missing 19142603729 at: 2016-04-19 22:55:58 Kinda sucks to have to go to Pentagon city three times in a week. So my compromise is either you go tonight while I cook or I go tomorrow and you'll still have it set up one day sooner than you expected.
Data Missing 19142603729 at: 2016-04-19 23:04:39 But but

Sent to 17038995561 at: 2016-04-20 00:17:45 Oh come on Laura. You're better than that. I know you're exhausted but you are also an adult and saying I give up is a little juvenile. At least craft a full sentence that gives the guy some closure
Sent to 17038995561 at: 2016-04-20 00:18:22 Like you have been unhappy for a while and you just realize now that he is not a compatible partner for you and you think you both should just go your separate ways.

Received from 18034141483 at: 2016-04-20 12:26:46 Well it doesn't affect fertility so at least there's that
Sent to 18034141483 at: 2016-04-20 12:27:11 But yea decreasing testosterone decreases sex drive and orgasm potential
Sent to 18034141483 at: 2016-04-20 12:31:52 At least we don't have to worry about fitting in sex for purposes of pregnancy.

Received from 18034141483 at: 2016-04-20 14:42:28 I'm def open to it!
Sent to 18034141483 at: 2016-04-20 14:42:39 I think I only have the 5th off
Sent to 18034141483 at: 2016-04-20 14:43:23 Oh wait hold on
Sent to 18034141483 at: 2016-04-20 14:43:36 I only have the 4th off.
Received from 18034141483 at: 2016-04-20 14:43:44 So I have a long weekend essentially
Received from 18034141483 at: 2016-04-20 14:43:57 Errr prob won't work then.
Sent to 18034141483 at: 2016-04-20 14:44:19 I usually have to work that Friday, so we may be cutting it close?
Sent to 18034141483 at: 2016-04-20 14:44:35 I mean I could throw in an extra day possibly but no promises.
Sent to 18034141483 at: 2016-04-20 14:45:02 Yea, I don't want it to be a struggle. I just thought if you had some extra time off
Sent to 18034141483 at: 2016-04-20 14:45:11 And by no promises I mean like this moment.
Sent to 18034141483 at: 2016-04-20 14:45:22 If I book a ticket or something than I am committed.
Received from 18034141483 at: 2016-04-20 14:46:14 But to be frank it has to be a

trip worth using a day for. Which doesn't mean expensive necessarily, just something like worth the day
Received from 18034141483 at: 2016-04-20 14:46:22 So I'm open to spitballing some ideas.
Sent to 18034141483 at: 2016-04-20 14:46:49 I get that! I really have no idea what or where
Received from 18034141483 at: 2016-04-20 14:46:54 Could do like Friday night departure to Tuesday night
Sent to 18034141483 at: 2016-04-20 14:47:35 Well here's an idea - let me see if there are any flight specials happening during that time
Sent to 18034141483 at: 2016-04-20 14:47:52 I feel like sometimes airlines offer cheap flight for the 4th since it's not typically a travel holiday
Sent to 18034141483 at: 2016-04-20 14:48:32 Yea. Also Jessie Waller mentioned Asheville and staying at a lake house
Sent to 18034141483 at: 2016-04-20 14:49:31 Would it be girls trip?
Received from 18034141483 at: 2016-04-20 14:49:37 I don't know?
Sent to 18034141483 at: 2016-04-20 14:50:05 I just texted her to see how serious she was. Her parents own a big place out there
Sent to 18034141483 at: 2016-04-20 14:50:24 I only say Bc the thing Chris may want me to go to is like a lake house trip w all his friends so if I do a girls wkd that's like acceptable but if I do the exact same kind of trip but w mixed he may get pissed
Sent to 18034141483 at: 2016-04-20 14:50:50 Yep, he's gotta point
Received from 18034141483 at: 2016-04-20 14:51:01 I feel like he really wanted you to go :(
Sent to 18034141483 at: 2016-04-20 14:51:09 To be fair - he hasn't said anything about the trip to me. He may not care
Received from 18034141483 at: 2016-04-20 14:51:14 Here's the thing about Chris
Received from 18034141483 at: 2016-04-20 14:51:40 He doesn't see his friends often Bc no one plans stuff so if he really wants me to go, then I will.
Sent to 18034141483 at: 2016-04-20 14:51:50 But he also may want a boys wkd.
Received from 18034141483 at: 2016-04-20 14:51:56 I don't think HE has decided.
Received from 18034141483 at: 2016-04-20 14:52:53 I think what he wants is the ability to choose, plus I think he is nervous Bc he doesn't know how many other wives/gfs are planning on attending
Sent to 18034141483 at: 2016-04-20 14:53:26 So if like all of them are - he will want me there. If none of them are - he will not. And I think he is panicked Bc he has no clue Bc boys don't organize jack shit.
Sent to 18034141483 at: 2016-04-20 14:53:43 They really don't.
Sent to 18034141483 at: 2016-04-20 14:53:56 They don't.
Sent to 18034141483 at: 2016-04-20 14:54:05 Well maybe we just play it by ear. Let that take priority, and see how the cookie crumbles
Sent to 18034141483 at: 2016-04-20 14:54:15 So I will say figure it out and let me know. And if you don't know by a certain date I am gonna make other plans
Sent to 18034141483 at: 2016-04-20 14:54:34 So while that clock is ticking we can spitball.
Sent to 18034141483 at: 2016-04-20 14:54:43 I wouldn't book anything today

Received from 19178211113 at: 2016-04-21 18:37:54 No no no. We are actively avoiding at this time.
Received from 19178211113 at: 2016-04-21 18:38:05 Why
Sent to 15182107185 at: 2016-04-21 18:38:05 Oh wait. Sorry I'm super hungover
Received from 15182107185 at: 2016-04-21 18:38:11 So anyways yeah
Received from 19178211113 at: 2016-04-21 18:38:13 The earliest we would start trying is end of May
Received from 19178211113 at: 2016-04-21 18:38:21 Woohoo!
Sent to 19178211113 at: 2016-04-21 18:38:28 Bc I want to get a feel for my ovulation
Received from 19178211113 at: 2016-04-21 18:38:38 Whats that mean
Received from 19178211113 at: 2016-04-21 18:38:41 I'm not ovulating presently.
Received from 19178211113 at: 2016-04-21 18:38:55 How do u know when u are
Sent to 19178211113 at: 2016-04-21 18:38:59 I have been off Bc for about 10 days and had a period right afterwards
Received from 19178211113 at: 2016-04-21 18:39:17 Okaaay
Sent to 19178211113 at: 2016-04-21 18:39:17 So even if I was normalized I probably wouldn't have ovulated by now.
Received from 19178211113 at: 2016-04-21 18:39:27 Why
Sent to 19178211113 at: 2016-04-21 18:39:35 Normal cycle
Received from 19178211113 at: 2016-04-21 18:39:43 Ovulation occurs on day 15
Sent to 19178211113 at: 2016-04-21 18:39:50 It's not day 15 yet
Received from 19178211113 at: 2016-04-21 18:39:51 So you are waiting to get next period u mean?
Sent to 19178211113 at: 2016-04-21 18:39:59 Yes. Essentially.
Received from 19178211113 at: 2016-04-21 18:40:11 Whens your next period due
Sent to 19178211113 at: 2016-04-21 18:40:20 After going off birth control it can take a little longer to get a normal period
Sent to 19178211113 at: 2016-04-21 18:40:35 I don't know. That's the point
Sent to 19178211113 at: 2016-04-21 18:40:44 Oh
Received from 19178211113 at: 2016-04-21 18:40:55 It is recommended that you wait until you get a "normal" period before you start trying
Sent to 19178211113 at: 2016-04-21 18:41:15 Mine has always been entangled with birth control
Received from 19178211113 at: 2016-04-21 18:41:14 Ya im supposed to do the same thing but i fucked up twice
Sent to 19178211113 at: 2016-04-21 18:41:32 But i hope its ok bc i dont think im ovulating
Sent to 19178211113 at: 2016-04-21 18:41:40 It's best for conception is all
Received from 19178211113 at: Data Missing So I've read
Received from 19178211113 at: 2016-04-21 18:41:58 Right
Received from 19178211113 at: 2016-04-21 18:42:08 I do all sorts of things to keep track of things via this app
Sent to 19178211113 at: 2016-04-21 18:42:10 I havent gotten my period yet
Data Missing 19178211113 at: 2016-04-21 18:42:17 So im prob fine right?
Data Missing 19178211113 at: 2016-04-21 18:42:30 As in dont have to worry about being preg
Received from 19178211113 at: 2016-04-21 18:42:42 I just want to make sure I know when I am possibly getting pregnant. I'm not a fly by the seats of my pants kind of person
Received from 19178211113 at: 2016-04-21 18:42:51 Im asking for myself
Sent to 19178211113 at: 2016-04-21 18:43:09 You could be pregnant. It's possible that you ovulated and got knocked up
Received from 19178211113 at: 2016-04-21 18:43:18 Which would make it so you didn't get a period
Received from 19178211113 at: 2016-04-21 18:43:31 Godamnit
Received from 19178211113 at: 2016-04-21 18:43:50 If I ovulated like in the next

few days and had sex and got pregnant
Sent to 19178211113 at: 2016-04-21 18:44:08 Then I would never have a "normal" period before trying to conceive
Received from 19178211113 at: 2016-04-21 18:44:09 Im just feeling scared bc i dont want to be drinking and stuff if im preg
Sent to 19178211113 at: 2016-04-21 18:44:14 Rigjt
Sent to 19178211113 at: 2016-04-21 18:44:20 So maybe track it ?
Received from 19178211113 at: 2016-04-21 18:44:38 Im supposed to wait for a normal period but jeff forgot twice and came in me
Sent to 19178211113 at: 2016-04-21 18:44:53 I havent had a period tho
Sent to 19178211113 at: 2016-04-21 18:45:24 So here's what I would recommend
Received from 19178211113 at: 2016-04-21 18:45:53 First off - take a pregnancy test when applicable
Received from 19178211113 at: 2016-04-21 18:46:15 I just dont know if i still have pregnancy hormones in me
Sent to 19178211113 at: 2016-04-21 18:46:20 Secondly, if you do get your period, start tracking after that
Received from 19178211113 at: 2016-04-21 18:46:24 Rightt
Received from 19178211113 at: 2016-04-21 18:46:51 In the meantime demand he pulls out
Sent to 19178211113 at: 2016-04-21 18:46:56 I am
Sent to 15182107185 at: 2016-04-21 18:47:19 No worries. I will keep you posted
Received from 19178211113 at: 2016-04-21 18:47:19 K ill take a preg test tonight
Sent to 15182107185 at: 2016-04-21 18:47:23 We will figure it out
Received from 19178211113 at: 2016-04-21 18:47:52 The app is called Glow. It's free
Sent to 19178211113 at: 2016-04-21 18:48:11 You can figure out if you're ovulating and when you will likely ovulate again in a number of ways.
Received from 19178211113 at: 2016-04-21 18:48:14 Im just annoyed bc if by a chance i am pregnant it is mixed reviews on whether or not its best circumstances bc my uterus hadnt beefed back up
Sent to 19178211113 at: 2016-04-21 18:48:31 But the specialist said in recent tests its proven fine
Received from 19178211113 at: 2016-04-21 18:48:33 Well there's nothing you can do it about it at this point.
Sent to 19178211113 at: 2016-04-21 18:48:35 BUT
Sent to 19178211113 at: 2016-04-21 18:48:51 The prob is that everything when they track the baby goes off date of last period
Sent to 19178211113 at: 2016-04-21 18:49:05 They can determine it in other ways
Received from 19178211113 at: 2016-04-21 18:49:07 So if i didnt have a period it becomes hard to calculate anything
Received from 19178211113 at: 2016-04-21 18:49:12 You know the two dates he came in you?
Sent to 19178211113 at: 2016-04-21 18:49:41 If you are pregnant you share those two dates and then they will determine thing based on the size of the baby.
Received from 19178211113 at: 2016-04-21 18:49:44 I can look it up one sec
Received from 19178211113 at: 2016-04-21 18:49:52 Just mark it down somewhere
Sent to 19178211113 at: 2016-04-21 18:50:03 Like the app Glow....
Received from 19178211113 at: 2016-04-21 18:50:20 It allows you to input days you've had sex
Sent to 19178211113 at: 2016-04-21 18:50:29 For tracking purposes
Sent to 19178211113 at: 2016-04-21 18:51:33
Received from 19178211113 at: 2016-04-21 18:51:51 You can go back in time and mark down days in the calendar where you have had sex
Sent to 15182107185 at: 2016-04-21 18:52:23 Also no worries if you'd rather fly solo!
Sent to 19178211113 at: 2016-04-21 18:52:26 April 11 and April 20
Sent to 19178211113 at: 2016-04-21 18:52:43 So Mark them somewhere then

Sent to 19178211113 at: 2016-04-21 18:53:02 K
Sent to 19178211113 at: 2016-04-21 18:53:59 In glow?
Sent to 19178211113 at: 2016-04-21 18:54:34 I like that app a lot
Received from 19178211113 at: 2016-04-21 18:55:03 It can be a little overwhelming at first Bc it's so comprehensive but it's super organized and I like that
Received from 19178211113 at: 2016-04-21 18:55:17 These apps dont work for me bc i cant say when my last period was
Sent to 19178211113 at: 2016-04-21 18:55:21 😒

Received from 19178211113 at: 2016-04-21 18:55:46 U can say the one after u got off BC
Sent to 19178211113 at: 2016-04-21 18:55:49 Bc I've never had a natural period
Data Missing 19178211113 at: 2016-04-21 18:55:52 I have nothing
Data Missing 19178211113 at: 2016-04-21 18:55:58 Yea but it needs a spread
Received from 19178211113 at: 2016-04-21 18:56:08 Like how many days are usually between my periods
Sent to 19178211113 at: 2016-04-21 18:56:16 I have no clue. You probably do

Sent to 19178211113 at: 2016-04-21 18:56:44 From one period to next
Sent to 19178211113 at: 2016-04-21 18:56:47 Yes
Sent to 19178211113 at: 2016-04-21 18:57:01 I just have a period app i follow and i always get my period when it says im going to
Received from 19178211113 at: 2016-04-21 18:57:18 So take that info and put it into glow
Received from 19178211113 at: 2016-04-21 18:57:34 But i think its standard predictions not necessarily customized
Sent to 19178211113 at: 2016-04-21 18:58:00 I have a very predictable normal cycle
Received from 19178211113 at: 2016-04-21 18:58:08 Except now. 😞
Sent to 19178211113 at: 2016-04-21 18:58:24 And i didnt get my period for a VERY long time after Nay

Received from 19142603729 at: 2016-04-21 18:59:43 K. And what was that thing you have to do tonight?
Received from 19178211113 at: 2016-04-21 19:33:35 I would just use glow. You can input the periods you have had in the past and it will make predictions
Received from 19178211113 at: 2016-04-21 19:33:52 You can also input those dates you had sex so you don't forget
Received from 19142603729 at: 2016-04-21 19:34:07 It's the panel Tom is on. I'm not sure if I am attending. Playing by ear
Received from 19142603729 at: 2016-04-21 19:42:16 Got it.
Received from 13103830175 at: 2016-04-21 19:44:39 Just wanted to let you know I'm on my way to the four seasons. See you shortly.
Received from 19142603729 at: 2016-04-21 20:27:11 So I am at the four seasons and he is not here. And I texted him at 345 to say I'm on my way to four seasons see you shortly
Sent to 19142603729 at: 2016-04-21 20:27:15 And no response.
Sent to 19142603729 at: 2016-04-21 20:27:43 I don't want to keep nagging Bc if he isn't here he clearly just isn't here.

Sent to 19142603729 at: 2016-04-21 20:27:56 But I just never know the protocol
Received from 19178211113 at: 2016-04-21 20:33:41 Ok
Sent to 19142603729 at: 2016-04-21 20:37:42 Been in your position a few times actually. I would say something along the lines of Hey Tom, hopefully we didn't get which Four Seasons screwed up. I'll be here for about another 15mins. Hope everything is okay.
Sent to 19142603729 at: 2016-04-21 20:38:03 Ugh okay. But there's only one...
Sent to 19142603729 at: 2016-04-21 20:38:12 Basically the first part gives him a way out of admitting fault and the second part shows you're not peeved.
Sent to 19142603729 at: 2016-04-21 20:39:01 You just wanna give him a heads up before you actually leave. To cover YOUR ass in case he does show up.
Sent to 19142603729 at: 2016-04-21 20:39:28 Right. Okay
Received from 19142603729 at: 2016-04-21 20:39:47 I wasn't planning on leaving until 515
Received from 19142603729 at: 2016-04-21 20:40:50 I think thats more than fair.
Sent to 19142603729 at: 2016-04-21 20:41:21 If hes not there by 515- hes not coming.
Received from 19142603729 at: 2016-04-21 20:41:52 And if he did, there is no way a reasonable person would expect he'd show up over an hour late.
Received from 19142603729 at: 2016-04-21 20:42:01 So either way you're good.
Sent to 19142603729 at: 2016-04-21 20:42:07 So his panel is at like 6

Received from 19142603729 at: 2016-04-21 20:42:37 Which I am attending...
Received from 19142603729 at: 2016-04-21 20:42:57 I think thats an opportunity to pull a classy move actually.
Received from 19142603729 at: 2016-04-21 20:43:05 ?
Sent to 19142603729 at: 2016-04-21 20:43:41 If he apologizes totally play it off like it was no big deal and you figured something came up. Then pivot to the discussion you just watched etc etc.
Sent to 19142603729 at: 2016-04-21 20:44:02 Hey Tom, I imagine you got held up, so I figured I would just head over to Georgetown for the seminar tonight. Hope all is well!

Sent to 19142614611 at: 2016-04-25 16:51:02 It will take time for you to get the assets together correct?
Sent to 19142603729 at: 2016-04-25 16:51:10 Maybe we should set up a call with Tom for when you're back. Just so we can get our ducks in a row. That might make him feel better

Sent to 19142603729 at: 2016-04-25 16:52:11 I tend to agree w him.
Received from 19142603729 at: 2016-04-25 16:52:20 I don't think you're ready to buy a place
Sent to 19142614611 at: 2016-04-25 16:52:38 I'm talking w Chris.
Received from 19142614611 at: 2016-04-25 16:52:49 I don't want to go if Chris isn't able to handle this
Sent to 19142614611 at: 2016-04-25 16:53:03 Ok
Sent to 19142603729 at: 2016-04-25 16:53:39 I am nervous, yes. But isn't that normal?
Sent to 19142603729 at: 2016-04-25 16:55:57 Nervous is fine. But is it a prohibition
Sent to 19142603729 at: 2016-04-25 16:56:31 prohibition?
Sent to 19142603729 at: 2016-04-25 16:56:47 Do your feelings inhibit you from acting
Sent to 19142603729 at: 2016-04-25 16:58:00 Do they prevent you from making an offer
Received from 19142603729 at: 2016-04-25 16:59:15 I don't really know to be completely honest. Part of me gets so terrified at buying a place in the price range you're looking at tomorrow, but then part of me knows we'll probably be okay. So it's like 50/50 I guess.
Received from 19142603729 at: 2016-04-25 16:59:39 I don't understand tomorrow's price range is in our range
Sent to 19142603729 at: 2016-04-25 16:59:56 Wait, which one is it?

Received from 19142603729 at: 2016-04-25 17:00:02 I thought it was the 3.65 one
Sent to 19142603729 at: 2016-04-25 17:00:11 It's 3.45
Sent to 19142603729 at: 2016-04-25 17:00:35 So we would offer like 3.3 probably. At the highest
Received from 19142614611 at: 2016-04-25 17:00:52 Question - what is your opinion regarding Thomas
Sent to 19142614611 at: 2016-04-25 17:01:11 As far as pricing. Like let's say we love it. What do you think we lead with.
Received from 19142603729 at: 2016-04-25 17:01:14 Okay.
Received from 19142603729 at: 2016-04-25 17:01:30 I'm asking Collin for more information on pricing. Like his opinion.
Sent to 19142603729 at: 2016-04-25 17:02:02 I don't know how to really answer your original question. I get really nervous inside. I just go back and forth if we're making a good decision or if we're rushing because we feel like it's the smart move to make
Sent to 19142603729 at: 2016-04-25 17:02:23 Dude. I need you to figure out your feelings.
Sent to 19142603729 at: 2016-04-25 17:02:30 I can't help w that
Sent to 19142603729 at: 2016-04-25 17:03:05 I know, and I'm sorry. Like I said, I go back and forth.
Received from 19142603729 at: 2016-04-25 17:03:20 Right but that's basically the worst posture.
Sent to 19142603729 at: 2016-04-25 17:03:29 Bc it's mixed messages to me
Received from 19142614611 at: 2016-04-25 17:03:47 I think it's priced well
Sent to 19142603729 at: 2016-04-25 17:04:08 My understanding is you were on board. So I am advancing the ball. But if you aren't actually that's like me wasting my time.
Sent to 19142614611 at: 2016-04-25 17:04:09 We'd have to see if they have other offers in.
Received from 19142603729 at: 2016-04-25 17:04:14 Right. I'm sorry.
Sent to 19142614611 at: 2016-04-25 17:04:20 Okay but suppose they don't
Sent to 19142603729 at: 2016-04-25 17:04:24 I understand
Received from 19142603729 at: 2016-04-25 17:04:38 And Collin's time.
Sent to 19142614611 at: 2016-04-25 17:04:39 If they don't we could probably lead at 3.3
Received from 19142603729 at: 2016-04-25 17:05:40 Can I think about it after work today and call you and discuss more later?
Received from 19142603729 at: 2016-04-25 17:05:57 I guess I just feel like what has changed
Sent to 19142603729 at: 2016-04-25 17:06:04 Why are you all over the map w your feelings
Received from 19142614611 at: 2016-04-25 17:06:18 That was my thought.
Received from 19142614611 at: 2016-04-25 17:06:29 What's it rent for you think
Received from 19142603729 at: 2016-04-25 17:08:31 I guess because after we talked last week about renting it out, I started to think like what if we just bought when we're absolutely ready to move. (We'd still have quite some time to look agressively). Then we could just move into the place we want immediately and not have to worry about renters or getting renters out, etc etc
Received from 19142614611 at: 2016-04-25 17:08:50 11-13
Sent to 19142603729 at: 2016-04-25 17:09:12 Then in the meantime, our portfolio gets bigger, we save more, and maybe we can get an even nicer place
Sent to 19142603729 at: 2016-04-25 17:09:28 Right but do you remember why we started looking now
Sent to 19142603729 at: 2016-04-25 17:09:37 Bc of interest rates and the market
Sent to 19142603729 at: 2016-04-25 17:10:23 I think you need to talk to Tom. You seem really gun shy and I'm not sure why. We talked thru how secure we are etc.
Received from 19142614611 at: 2016-04-25 17:11:05 Hm. That's kinda low no?
Received from 19142614611 at: 2016-04-25 17:11:40 It's so confusing to me how

diff 3.4m apartments can range so much regarding rent
Received from 19142614611 at: 2016-04-25 17:12:24 Location and building are big factors. What are you comparing it to?
Sent to 19142614611 at: 2016-04-25 17:12:59 Just other apartment rental amounts we discussed
Sent to 19142603729 at: 2016-04-25 17:13:40 I'm really sorry that I'm gun shy, I am. I know that's fucking things up and I don't want to be the one to waste everyone's time. While I think it's fair to be nervous about buying something over 3MM, it's not fair to you and Collin.
Sent to 19142603729 at: 2016-04-25 17:13:59 I'm not saying you can't be nervous.
Sent to 19142603729 at: 2016-04-25 17:14:03 You think tomorrow is a good time for me to talk to Tom. I just ask cause I know you're busy and won't be able to be on the phone call

Received from 19142603729 at: 2016-04-25 17:15:18 What's frustrating me is you keep changing your mind

Received from 19142603729 at: 2016-04-25 17:15:59 I'm not going tomorrow then.
Sent to 19142603729 at: 2016-04-25 17:16:47 Bc I don't want to fall in love w an apt and waste my time if you are so uncertain
Sent to 19142603729 at: 2016-04-25 17:17:19 Okay. I was just going to say I think that's the right move. Mainly because of the reason you just said
Sent to 19142603729 at: 2016-04-25 17:18:31 Yea but please note I'm really pissed at you right now
Sent to 19142603729 at: 2016-04-25 17:19:07 It's pretty obnoxious that the only reason we are even having this conversation is because I started it.
Received from 19142603729 at: 2016-04-25 17:19:25 Your communication is just nonexistent.
Sent to 19142603729 at: 2016-04-25 17:20:03 And I just really feel like you are making zero effort to be better.
Sent to 19142614611 at: 2016-04-25 17:20:31 Ugh I'm so fucking pissed at Chris right now
Received from 19142614611 at: 2016-04-25 17:20:42 Why?
Sent to 19142614611 at: 2016-04-25 17:20:50 Because he doesn't communicate
Sent to 19142614611 at: 2016-04-25 17:21:00 And he doesn't know how he feels or what he wants.
Sent to 19142614611 at: 2016-04-25 17:21:04 And it's a waste of my time.
Sent to 19142614611 at: 2016-04-25 17:21:22 I could see that being very frustrating.
Sent to 19142614611 at: 2016-04-25 17:21:56 So yea I guess we shouldn't go tomorrow. Bc if I fall in love w it then it's gonna be a fight
Received from 19142614611 at: 2016-04-25 17:22:19 Stop. We should go
Sent to 19142614611 at: 2016-04-25 17:22:36 I don't think so. Now he is saying maybe we should wait until we are planning to move there

Sent to 19142614611 at: 2016-04-25 17:22:42 Which is like wtf
Sent to 19142603729 at: 2016-04-25 17:22:42 I've told you how nervous I've been. It's only been the last couple of days that I've started to really think about it. I'm sorry that I didn't immediately start to talk to you about it but I was thinking it out in my own head first. You basically just got it out of me in this last conversation.
Received from 19142603729 at: 2016-04-25 17:22:59 That's not good enough
Sent to 19142614611 at: 2016-04-25 17:23:09 Even if you find the right place now? Also mortgage rates are low now.
Received from 19142603729 at: 2016-04-25 17:23:30 You don't need weeks to think this thru. You ignore it. And bury your head in the sand. You only think about it when I am the one making you
Sent to 19142603729 at: 2016-04-25 17:26:01 I'm being honest with you that just last friday, when we had the conversation about renters, is literally the time I started to think of this at a different angle.
Sent to 19142603729 at: 2016-04-25 17:26:03 And that goes for everything - your effort to have sex more is also nonexistent. And you still haven't brought up any convos about your feelings re kids. It's just always me making the effort. And that's really frustrating and upsetting me.
Received from 19142614611 at: 2016-04-25 17:26:31 I agree Collin!
Sent to 19142614611 at: 2016-04-25 17:26:37 I know why we are looking right now

Sent to 19142603729 at: 2016-04-25 17:26:48 My feelings haven't changed about kids at all! That's why I haven't brought up any big convos.
Received from 19142603729 at: 2016-04-25 17:27:01 You said you didn't KNOW how you felt about kids
Sent to 19142614611 at: 2016-04-25 17:27:03 Ok.
Sent to 19142603729 at: 2016-04-25 17:27:17 And you needed more time to think and you would bring it up once you have thought more about it
Sent to 19142603729 at: 2016-04-25 17:27:30 You do not stand behind your promises.
Sent to 19142614611 at: 2016-04-25 17:27:43 I am really frustrated.
Received from 19142614611 at: 2016-04-25 17:27:51 I don't know where we stand now.
Sent to 19142614611 at: 2016-04-25 17:27:53 I'm sorry
Received from 19142614611 at: 2016-04-25 17:29:07 I just feel like he is wasting both of our time.
Sent to 19142603729 at: 2016-04-25 17:30:57 We both said we were nervous about having kids but we both knew we'd most likely regret not having them. That's where we left it. We also said we both weren't ready to start trying immediately. So I'm not sure how that's on me.
Sent to 19142603729 at: 2016-04-25 17:31:17 You are cherry picking
Sent to 19142603729 at: 2016-04-25 17:31:46 You said you were going to make an active effort to discuss your feelings on kids
Sent to 19142603729 at: 2016-04-25 17:32:29 You said you didn't know when you'd be ready and what would impact it. So you'd think about those things.
Received from 19142603729 at: 2016-04-25 17:33:46 I feel like if left up to you nothing would ever change. You would just live life on repeat. You are not making an effort in our relationship at all.
Sent to 19142603729 at: 2016-04-25 17:37:41 I'm sick of being the only one to bring up and force the big decisions to be made. You even said if I didn't push you that you wouldn't have proposed when you did.
Received from 19142603729 at: 2016-04-25 17:38:31 I understand how that frustrates you and I'm sorry. I wish you could just say something like, "have you though more about our conversation about kids" rather than let it build up and then snap at me because you've been letting it build up.
Sent to 19142603729 at: 2016-04-25 17:38:41 NO!
Sent to 19142603729 at: 2016-04-25 17:38:52 I am not going to always be the

fucking driver of communication.
Sent to 19142603729 at: 2016-04-25 17:39:21 You need to step up and join in this relationship.
Sent to 19142603729 at: 2016-04-25 17:41:50 Okay. I'm not making any excuses for myself. You're right. You shouldn't have to do that. Even though I don't always know what to say, you're right that we're a team and I'm better at articulating when we actually engage in a conversation.
Sent to 19142603729 at: 2016-04-25 17:42:10 You haven't been making dates for us, you haven't been trying to have sex, you haven't been thinking about really important next steps or what you want. The only conversation you have raised with me was about visiting your parents. You don't get to exhaust your abilities at work and come home and be lazy with me. I work my ass off too and I'm TRYING here.
Received from 19142603729 at: 2016-04-25 17:42:49 I'm SICK of having this fight.
Sent to 19142603729 at: 2016-04-25 17:44:30 It's making me feel like you don't care about me and you just lie to me when confronted w issues. Then you just do nothing until the issue is raised AGAIN, bullshit me again and so on and so forth. Tell me why I should believe you this time that you are going to do anything differently??
Sent to 19142603729 at: 2016-04-25 17:46:38 Relationships are work Chris. And it feels like you are trying to just get a free ride.
Sent to 18034141483 at: 2016-04-25 17:53:07 I'm having a Monday.
Received from 19142603729 at: 2016-04-25 17:53:26 Look, I hear you okay. I'm frustrated, not with you per se, but there are things I do for this relationship that may seem minor and "day to day" to you. But when added up, yea, it's a lot TO ME. Taking care of our house, taking care of everything post Wedding related, planning Hawaii, being the voice of calmness everyday when I'm equally terrified inside, not having anyone ask me how MY job is going or if I'm doing okay with job stuff. Just those things alone are fucking hard as shit. I'm not saying you don't appreciate those things, and I'm not trying to make excuses. I hear you that I can and NEED to be better and I WANT to because that makes US stronger. Just please don't tell me that relationships are hard because I know. I know what it means to be a supportive husband and sometimes feel like nobody cares about what's going on in your life because nobody asks you.
Sent to 19142603729 at: 2016-04-25 17:54:09 I am trying. I'm not saying I'm doing good enough or that I shouldn't do better
Sent to 19142603729 at: 2016-04-25 17:54:23 I ask you all the time
Sent to 19142603729 at: 2016-04-25 17:54:24 I know I'm lacking in areas. But I am fucking trying.

Received from 18034141483 at: 2016-04-25 17:55:24 What kind of Monday?
Received from 19142603729 at: 2016-04-25 17:55:24 Yea cuz I can't
Sent to 19142603729 at: 2016-04-25 17:55:50 And I used to ask you more about work and you'd get all anxious and annoyed when talking about it
Sent to 19142603729 at: 2016-04-25 17:55:58 So I thought, don't ask as much he doesn't like it.
Received from 19142603729 at: 2016-04-25 17:56:03 I know I'm far from fucking perfect, but I also know I'm a good husband. You're far from perfect but you're

a good wife.

Sent to 19142603729 at: 2016-04-25 17:56:24 This is not a measure of perfection
Sent to 19142603729 at: 2016-04-25 17:57:59 And if you need to stop unpacking boxes and planning Hawaii etc, so you can (a) think about having kids, (b) think about how you want to invest our money, (c) plan a date, and/or (d) try to seduce me - by all means stop doing those things. I recognize and appreciate the things you do but they are the micro and I'm talking macro
Sent to 19142603729 at: 2016-04-25 17:58:40 You are a wonderful person and I love you. But you DONT TALK TO ME and you are ignoring really important things.

Otherwise I may not bring it up again and that will make you feel worse. I dont know okay. I'm still trying to figure out how my 32 year old brain works sometimes too.
Sent to 19142603729 at: 2016-04-25 18:03:40 Great so I can either hold my breath or constantly just make all the life decisions
Received from 18034141483 at: 2016-04-25 18:04:43 I'm sorry! Those Monday's are the worst
Sent to 18034141483 at: 2016-04-25 18:05:03 What's going on with Chris?
Received from 19142603729 at: 2016-04-25 18:05:25 Thats not at all what I meant and I'm sorry if it came off like that.
Sent to 19142603729 at: 2016-04-25 18:06:22 I'm just saying that I need to be having more conversations with you on a daily basis I guess.
Received from 18034141483 at: 2016-04-25 18:06:34 So it's kind of a long story but the shortest version is he sucks at communicating.
Sent to 19142603729 at: 2016-04-25 18:06:53 because even though my mind might be all over the place, if I talk to you like everyday about major issues, it will probably become more clear to me
Received from 19142603729 at: 2016-04-25 18:07:31 I don't feel like you have a clue about what you want
Received from 19142603729 at: 2016-04-25 18:08:15 And I have no idea what you need to do to figure that out
Received from 19142603729 at: 2016-04-25 18:08:27 But you need to do something.

Received from 19142603729 at: 2016-04-25 18:11:44 I think you know but you're right in that I am not being clear. I'm sorry that I haven't articulated a plan to you. I don't 100% have a plan, but you should at least know what I feel the general idea is, and we can discuss frequently how on or off track we are. So that we stay on the same page.
Sent to 19142603729 at: 2016-04-25 18:11:56 I'm sorry that you feel like you're in the dark from my thoughts.
Received from 18034141483 at: 2016-04-25 18:13:35 Yea, don't they all? Not to make light of it. I feel like most suck at it, and it's extremely frustrating
Sent to 18034141483 at: 2016-04-25 18:20:07 It's so frustrating
Sent to 18034141483 at: 2016-04-25 18:20:14 I can't read minds!!!
Sent to 18034141483 at: 2016-04-25 18:20:36 What did he want you to do?
Received from 19142603729 at: 2016-04-25 18:20:48 I don't even know what your general idea is
Received from 19142603729 at: 2016-04-25 18:20:56 I don't know what makes you happy.
Received from 18034141483 at: 2016-04-25 18:22:11 So it started Bc we had like several long talks about our future plans. And we ran numbers etc and decided it made sense to start looking to buy in NYC. And so we started looking, Collin has been sending us listings, we've seen one place in person.
Sent to 18034141483 at: 2016-04-25 18:23:18 So I'm scheduled to visit another tomorrow. And Collin was like yea it's just good to look and I was like what do you mean. And he was like I just don't think you and Chris are ready. And I was like well I am, I did the thinking and the research, I'm good. But I'll double check w Chris.
Sent to 19142603729 at: 2016-04-25 18:24:01 Thats the point. I am happy and I think I know what will maintain that, but I feel like I have to know for sure in order to discuss it will you. Which is the wrong move. It should probably be a continuous, almost daily conversation that Im having WITH you.
Received from 18034141483 at: 2016-04-25 18:24:36 And now he is all yeaaa I guess I don't know, maybe this maybe that yada yada. And I'm wtf changed??? And he is like I dunno I am just nervous. And I'm like yea I mean I'm nervous too but what changed that you aren't ready now and he is like I dunno I guess I've been thinking some here and there. And I was like uhhh and you are only telling me now that I ASKED you?
Sent to 19142603729 at: 2016-04-25 18:25:20 It sounds like that will be better for me AND make you more happy and comfortable too.
Sent to 18034141483 at: 2016-04-25 18:25:37 And the worst part is he isn't even saying he isn't ready. He is just saying he isn't sure if he is ready. Which may be the most annoying.
Sent to 19142603729 at: 2016-04-25 18:25:52 That makes no sense
Sent to 19142603729 at: 2016-04-25 18:26:48 Bc first of all you never know anything for sure. And you have said you don't even know how you feel or what your deal is.
Received from 19142603729 at: 2016-04-25 18:27:46 And this conversation is not about "maintaining" Bc that's not how life works... Things change
Sent to 19142603729 at: 2016-04-25 18:28:05 But only if and when you decide to change them.
Received from 19142603729 at: 2016-04-25 18:29:48 I realize you are great at maintaining our home, which is important and appreciated. But you need to BE in our relationship. That means communicating and doing things that contribute to us as a couple.
Sent to 19142603729 at: 2016-04-25 18:32:19 I agree with you, I'm just saying that I have been identifying what was unsure or "what my deal is" and I want to communicate that with you. I understand things change. That's regarding the big picture. In regards to a daily basis, I need to be move vocal in saying things like, "hey, this is something we can do together this saturday", or "hey, I'm having a rough week and I'm sorry that I haven't planned a date for this

weekend".
Sent to 19142603729 at: 2016-04-25 18:33:10 It really hurts me on a seriously deep level that I have to constantly ask you to plan stuff, seduce me and talk to me. I'm not asking for you to do everything, I just need you to take the first step way more than you have been.
Sent to 19142603729 at: 2016-04-25 18:33:46 I just don't even believe you truly want to, EXCEPT when we are fighting.

Received from 19142603729 at: 2016-04-25 18:35:23 I was planning on making tomorrow night nice for you when you got back and making up for the two nights I fell asleep on you last week. Which I still want to do.

Sent to 18034141483 at: 2016-04-25 18:35:51 If you feel sure of the idea I would keep moving forward. If I had a dollar for every time Patrick second guessed the addition, it would be paid for
Received from 19142603729 at: 2016-04-25 18:36:07 Tomorrow night is like the worst night
Received from 19142603729 at: 2016-04-25 18:36:12 I know that's only a micro fix in a macro level, but I'm just trying to let you know that I'm aware of that mistake and I'm trying not to let it keep compounding itself

Received from 18034141483 at: 2016-04-25 18:37:32 Right? But at the same time I'm like I don't want to force him to do this
Sent to 18034141483 at: 2016-04-25 18:37:55 I don't know how to handle this and it's not fair that like I am the one pushing for big life decisions.
Received from 19142603729 at: 2016-04-25 18:38:02 babe, I'm just saying that I wanted to make a nice night for you to get back too and I was saying that I'm sorry for last week. That's all.
Received from 19142603729 at: 2016-04-25 18:38:25 I should have said that to you THIS MORNING before you left

Received from 19142603729 at: 2016-04-25 18:38:48 You don't get it
Sent to 19142603729 at: 2016-04-25 18:39:58 You always do this. We fight, you say oh I have it all figured out, and you offer to do something small to show things are different.
Sent to 19142603729 at: 2016-04-25 18:40:03 It doesn't feel different.
Received from 19142603729 at: 2016-04-25 18:41:02 The fact that you didn't think about ME in devising this plan is perfect proof.
Received from 18034141483 at: 2016-04-25 18:42:00 I'm sorry. Maybe if he can look at some of them with you, it would help convince him
Sent to 19142603729 at: 2016-04-25 18:42:07 And so when you make this whole effort, inevitably it's MY fault that it's ruined.
Sent to 18034141483 at: 2016-04-25 18:42:38 Thanks. But it's him. He needs to get

his shit together. He's being such a pussy.
Sent to 18034141483 at: 2016-04-25 18:42:44 But of course I can't say that to him.
Sent to 18034141483 at: 2016-04-25 18:44:26 I'm not really sure if I can DO anything.
Sent to 19142603729 at: 2016-04-25 18:44:53 It wasn't a plan that could get ruined Andi. Of course I know how stressful and exhausting tomorrow will be. So because of that, I was going to have a nice tranquil home and room to come back too. How is that not thinking of you? The only plan was to make it nice for you and allow you to do whatever YOU wanted. I don't get bent out of shape if things don't go the way I expected in my head
Received from 19142603729 at: 2016-04-25 18:46:02 Okay so I have never said the issue is our home is stressful. And yet that is what it seems like you are offering to fix.
Sent to 19142603729 at: 2016-04-25 18:47:34 Look, I'm sorry I got us off topic or the issue. I wasn't saying you said any of that.
Sent to 19142603729 at: 2016-04-25 18:48:22 I didn't say you don't think of me. I'm saying you need to BE in this relationship.
Sent to 19142603729 at: 2016-04-25 18:50:02 I just feel like i am the only one advancing our life forward.
Sent to 19142603729 at: 2016-04-25 18:50:21 You are existing on a day by day basis. And that's not enough
Received from 19142603729 at: 2016-04-25 18:50:41 I don't disagree with you feeling that way.
Sent to 19142603729 at: 2016-04-25 18:51:59 I want to talk to you more and I'm saying I will bring up more whats going on in my head, regarding issues moving our life forward
Received from 19142603729 at: 2016-04-25 18:52:30 I think about it more than you think, but there's no way you could know that because I'm not bringing it up
Sent to 19142603729 at: 2016-04-25 18:52:56 I don't get it. I don't understand how we can fight constantly about communicating and you still won't do it
Sent to 19142603729 at: 2016-04-25 18:53:16 I don't understand why this time it's different and NOW you'll start communicating.
Sent to 19142603729 at: 2016-04-25 18:55:21 I don't know. It's frustrating to me that I'm still the one whose fault it is. Your unhappiness and frustration is motivating me to try harder, but I know that doesn't answer the underlying question you have of why it keeps happening.
Received from 19142603729 at: 2016-04-25 18:56:26 Yea well I don't know how to fix it if we don't even know why it happens
Received from 18034141483 at: 2016-04-25 18:56:51 Maybe just pump the brakes a little

Sent to 18034141483 at: 2016-04-25 18:57:58 I'm just frustrated Bc I feel helpless
Received from 19142603729 at: 2016-04-25 19:00:05 I've already mentioned that maybe one of the reasons is because I felt like I needed to have answers, rather than just expressing my thoughts and coming to conclusions together. You said, to which I agree with, that I just need to be more communicative so that you know I'm actively in this relationship and doing things to move us forwarc
Sent to 19142603729 at: 2016-04-25 19:00:39 None of that is new information
Received from 19142603729 at: 2016-04-25 19:02:31 I'm sorry but I don't have the answer you're looking for and I don't think I'll get it during this conversation. I'm not saying I won't identify it and things won't get better, I just don't have the answer at this exact moment
Received from 19142603729 at: 2016-04-25 19:02:48 I wish I could believe that.
Sent to 19142603729 at: 2016-04-25 19:04:24 Maybe the answer is just you don't

really want the same kind of relationship I do. And coexisting is just enough for you.
Sent to 19142603729 at: 2016-04-25 19:04:47 I wish you could too. That's not me accepting defeat, I literally wish you could and I want you too. So I have to keep working on it. I am so sorry we keep having the same fight and I'm the reason, but I have to keep pushing at becoming better
Received from 19142603729 at: 2016-04-25 19:04:54 that's not it
Sent to 19142603729 at: 2016-04-25 19:05:24 Sometimes I just really believe you are only with me Bc I made you
Received from 19142603729 at: 2016-04-25 19:08:59 It really hurts to hear you say that. Mostly because it hurts that you actually believe that. I'm kinda pissed that you would say that because you know that will have a deep affect on me, but I understand you have to say it and I have been the reason you've gotten there. So I can't be pissed. I honestly don't know what to even say to that now
Sent to 19142603729 at: 2016-04-25 19:09:26 I know you're upset but you must know, even if it's supressed and deep down that that isn't true
Sent to 19142603729 at: 2016-04-25 19:10:15 I know I am far from perfect, but if you honestly believe that after the three years of seeing the way I look at you then I have to step away from this conversation for a bit
Received from 19142603729 at: 2016-04-25 19:10:37 I am a fucking wreck Chris.
Received from 19142603729 at: 2016-04-25 19:15:55 Look, this is how I feel. If god forbid something where ever to happen to you or if you divorced me, I would spend the rest of my days by myself because you are the only one that has ever brought me true happiness. I understand that the issue is that I don't make you feel that way, but it is how I feel. I didn't have to move across the country if I didn't want to. I could have left when shit was hitting the fan with your sister and father, I could have left when our fights before the engagement got brutal, but I didn't. I didn't because you are worth it and I only want to share my life with you. Those are words, but you have to at least believe that I man enough not to get up on an alter and promise my life to someone because they "made me".
Sent to 19142603729 at: 2016-04-25 19:16:43 We joke about that, but it's just a joke. Your power was being who you are and not some self proclaimed ability to force or trick me into marrying you.
Received from 19142603729 at: 2016-04-25 19:18:00 I guess I just wonder if you'd be happier alone than married to me.
Received from 19142603729 at: 2016-04-25 19:18:29 No I wouldn't. Because I wasn't happier when I was alone. And I wouldn't be happier if I wasn't

Same goes for you. I am so sorry that you feel that you 'made me', to the point where I'm trying not to get teary. It hurts to hear it, but it hurts even more that you actually feel it

I need to buy some new stuff and would like to just find one that works well and smells awesome that I can just continue to buy instead of picking a new one each month.
Received from 15086547654 at: 2016-04-26 19:58:43 Yes def! And I like Kerastase - age premium Bain substantif. It's light and smells good, pretty mild.

Sent to 18034141483 at: 2016-04-26 20:08:25 Yea I think we may both suffer from the "fuck it I look good enough" syndrome.

Received from 18034141483 at: Data Missing Like a grain?
Sent to 18034141483 at: 2016-04-26 20:34:01 Probably more protein, but with carbs is cool
Sent to 18034141483 at: 2016-04-26 20:34:13 Protein is the only thing that keeps me full
Sent to 18034141483 at: 2016-04-26 20:34:21 Oh you want to be more full got it
Data Missing 19142603729 at: 2016-04-26 20:34:49 Bottom line- we will be able to make an offer cash and Nadine will handle getting the mortgage. Only caveat is that anything 3MM or under will be the loan against Portfolio, anything above that she will have to make some maneuvers with assets in order to get a cash offer. Then in terms of payments, they'll figure out whats best for us regarding rates etc.
Data Missing 18034141483 at: 2016-04-26 20:34:58 So I would add pb to the shake.
Received from 18034141483 at: 2016-04-26 20:35:05 Or you can do a slice of pb toast
Received from 18034141483 at: 2016-04-26 20:35:30 And also do a hard boiled egg. I only say hard boiled Bc it's fast and easy. Can prep ahead of time.
Received from 19142603729 at: 2016-04-26 20:36:15 Tom was funny, he doesn't want us to sell VA ever.
Sent to 18034141483 at: 2016-04-26 20:36:42 Pb is a legume and a protein so that's great. And you are supposed to eat 3-5 servings of whole wheat so the toast gives you that if you so choose. And then egg will give you great protein.

All pretty low in calories and nutrient dense.
Received from 18034141483 at: 2016-04-26 20:37:00 And will def fill you up
Sent to 18034141483 at: 2016-04-26 20:37:05 I've been eating a PB&J sandwich

Sent to 18034141483 at: 2016-04-26 20:37:48 Yup they are great for that. A handful of almonds.
Received from 18034141483 at: 2016-04-26 20:37:58 Fat + protein is a great snack.

Sent to 19142603729 at: 2016-04-26 20:39:07 Okay so what's the budget in your mind then
Received from 18034141483 at: 2016-04-26 20:39:19 So green/berry smoothie and two slices of PB toast
Received from 19142603729 at: 2016-04-26 20:39:30 And why does Tom like VA so much??

So seeing as it's unlikely to find anything under 3 in TriBeca or Chelsea, I think it would be something in-between 3 and 3.5. Which we expected.

Received from 19178211113 at: 2016-04-27 15:55:17 I dunno... That's why I said use that app
Sent to 19178211113 at: 2016-04-27 15:55:29 There are a million considerations that go into determining it
Sent to 19178211113 at: 2016-04-27 15:56:15 Oh
Sent to 19178211113 at: 2016-04-27 16:00:48 Yea it's pretty complex. The first step is knowing the first day of your period and then counting the days between periods.
Received from 19178211113 at: 2016-04-27 16:01:13 In the meantime you can monitor when your body in a number of ways once your period ends to figure out when you

ovulate
Received from 19178211113 at: 2016-04-27 16:01:47 The easiest way is to just pee on an ovulation stick in the morning every day once your period ends
Sent to 19178211113 at: 2016-04-27 16:02:25 It will tell you if you are ovulating or not.
Sent to 19178211113 at: 2016-04-27 16:02:41 And using that info it can predict when you would ovulate in the future etc
Received from 19178211113 at: 2016-04-27 16:12:30 But usually theres a whole fertile week. Does the ovulation stick just tell you the exact day
Sent to 19178211113 at: 2016-04-27 16:13:01 No you are only fertile for 24 hours
Sent to 19178211113 at: 2016-04-27 16:13:21 The stick tells you where you are in the phase

Received from 15712751258 at: 2016-04-27 22:33:17 Hi, Andrea! This is Miķelis Munters. Wanted to, as another attorney, congratulate you on all of your recent successes and whatnot, reconnect, and if you have a moment, chat about some California specific issues on which I think you'll very likely be able to provide some valuable insight.
Received from 15712751258 at: 2016-04-27 22:34:00 In any went I'm really happy to see you're thriving, and wish you the best. Give me a ring when you have a chance and we can talk more!
Sent to 15712751258 at: 2016-04-28 00:04:03 Hey! Thanks for reaching out.

Appreciate the kind words. Happy to share any insight I may have regarding your issues. A word of caution though, I am barred in NY and really only practice federal law so I'm not sure how much help I can offer!
Received from 15712751258 at: 2016-04-28 00:21:13 It's not legal, it's personal/ political :)
Received from 15712751258 at: 2016-04-28 00:21:35 But good for you finding that sought after niche!
Sent to 15712751258 at: 2016-04-28 00:24:25 Basically I read your dad is especially keen on hiring extra hands for Trump here in ca, where I am and am barred. I've been fairly enthused with the breath of fresh air that this campaign has provided to public life, and I would be thrilled to help and provide my services in any way I could. So I was really hoping you could pass on my resume and cover letter to your dad and or put in a good word.
Received from 15712751258 at: 2016-04-28 00:24:54 If that search for help is even relevant still...
Received from 15712751258 at: 2016-04-28 00:27:27 Sure happy to facilitate if there is in fact something to facilitate that is. I simply have no idea what they are looking for in California but I can check and let you know
Sent to 15712751258 at: 2016-04-28 00:28:00 Even just that willingness is generous and definitely appreciated!

Data Missing 19142603729 at: 2016-04-29 19:21:56 That was a good email sweetie. Was precise but also came off as very sincere and hopeful. I think you are very mature, wonderful and I love you very much.

Sent to 19142603729 at: 2016-04-29 19:22:59 And it just seems like he has no idea. So cavalier about having a meal.
Received from 19142603729 at: 2016-04-29 19:23:30 I wanted to say that but it just always felt so petty whenever I tried to write it.
Received from 19142603729 at: 2016-04-29 19:23:49 Im not sure he has the ability to understand which is why I think you articulated it well.

Sent to 19142603729 at: 2016-04-29 19:26:15 I wouldn't say robotic. It was a more formal response, which is probably why you feel weird cause its your dad

Received from 19142603729 at: 2016-04-29 19:30:21 It is really absurd that if I said okay I will meet for a meal, he would just act like nothing happened.

Received from 18034141483 at: 2016-04-29 23:46:43 I read that its not uncommon for this to happen the day before? I dunno
Sent to 18034141483 at: 2016-04-29 23:47:16 This happened to me a couple days after glow said I was ovulating
Sent to 18034141483 at: 2016-04-29 23:47:51 Which to me means I'm going to be a couple days late to having my first natural period too?
Received from 18034141483 at: 2016-04-29 23:47:52 Hmm. I read the reason for the mucus is it helps the sperm get to the egg
Received from 18034141483 at: 2016-04-29 23:48:39 So its possible your cycle will be a bit longer than the standard 28 days
Sent to 18034141483 at: 2016-04-29 23:48:50 I remember my period was more like 30 days
Sent to 18034141483 at: 2016-04-29 23:49:31 Well I'm supposed to start Monday, so we'll see

Received from 18034141483 at: 2016-04-29 23:51:11 I am jumping the gun a bit, but I had to do it
Sent to 18034141483 at: 2016-04-29 23:52:12 Eh they are reasonable
Sent to 18034141483 at: 2016-04-29 23:52:21 like $30 for 20
Sent to 18034141483 at: 2016-04-29 23:52:45 You are only supposed to need 10 per a cycle. I don't follow the instructions
Received from 18034141483 at: 2016-04-29 23:54:25 Like if you are a 30 day cycle they say to start using them on day 13

Sent to 18034141483 at: 2016-05-01 14:41:48 Plus it probably took a while for our bodies to adjust being off the pill

Received from 18034141483 at: 2016-05-01 15:07:41 It's based off of my periods, not my ovulating input
Sent to 18034141483 at: 2016-05-01 15:07:57 Like I put in that my pee stick says I'm ovulating and it didn't change the percentage

Data Missing 18034141483 at: 2016-05-01 15:08:54 I get that it. But when you are ovulating, I'm curious what the average percentage is

But he's also said how he wants to hang out outside of just fucking but never actually initiates it?

Sent to 17034991766 at: 2016-05-03 17:22:27 I think you need to give yourself more credit
Sent to 17034991766 at: 2016-05-03 17:22:45 You are allowing yourself to feel comfortable. Perhaps the other person is not the cause
Received from 17034991766 at: 2016-05-03 17:22:58 Maybe YOU are different and thats the reason
Sent to 18034141483 at: 2016-05-03 17:24:26 Essentially you want to live several different lives
Sent to 17034991766 at: 2016-05-03 17:24:27 I think that's pretty accurate. You're so damn wise. Like it may have jump started my mojo, but like I'm feeling pretty great these days. And I'm starting two new jobs this week.

Received from 18034141483 at: 2016-05-03 17:25:52 A. People only post happy things on Facebook, therefore everyone's life looks perfect and fun
Sent to 17034991766 at: 2016-05-03 17:26:02 No no no, its fun! It is really that simple.
Sent to 17034991766 at: 2016-05-03 17:26:21 Seeking happiness is not an addiction
Sent to 18034141483 at: 2016-05-03 17:26:44 B. You're certainly not inadequate. Maybe going through a "boring" time, but in no way inadequate
Sent to 17034991766 at: 2016-05-03 17:26:46 The question you need to ask yourself is – what do I want in a partner that will push my happiness even higher
Received from 17034991766 at: 2016-05-03 17:27:14 I need to write that down in my journal
Received from 18034141483 at: 2016-05-03 17:27:35 C. You're about to go to Hawaii for our one year anny, with a hot husband to enjoy some R&R before you make beautiful babies
Sent to 17034991766 at: 2016-05-03 17:27:35 Having a companion in ANY way is always exciting and fun. Connecting with other people is the best. And when there is orgasming and new fun playing, i mean DUH that’s fun!

Sent to 18034141483 at: 2016-05-03 17:38:35 You're not alone in this feeling though - I think that way too. Sometimes I dwell on the fact that I'm in a city where I never thought I'd stay, with a husband that I love but who works a ton. Sure we make good money, but we also have a lot of bills, and sometimes it overwhelmingly lame and inadequate

Received from 19142603729 at: 2016-05-03 18:20:09 well you know that’s a bit difficult to answer at the moment and impossible to plan for. Firstly, I’ve made the conscious decision to go the creative route which means more time at home and less time on set. You know I did that so I DON’T have to have to travel as much. So I’m not even sure you and the kids traveling with me will be on the table.
Received from 17034991766 at: 2016-05-03 18:20:09 I want to do so many things
Sent to 17034991766 at: 2016-05-03 18:20:16 But at the end of the day, I am so lazy
Received from 19142603729 at: 2016-05-03 18:20:40 and if it goes as planned, you and the kids can come with me when I “visit” the set. I’ll be working, but it can be a vacation for you and the kids.
Received from 17034991766 at: 2016-05-03 18:20:49 I think the idea of going to a farmer’s market and cooking soups sounds so exotic and fun.

Sent to 19142603729 at: 2016-05-03 18:21:57 I think he better way to look at it is that we'll be a well traveled family and we'll have to look at any scenario about being on set when that time comes up

And a major reason I married you is because I know you will not only put up with me but most likely share the fun and crazy things I'll want to do in life and with our kids.

Received from 18034141483 at: 2016-05-03 20:34:14 And not because I feel like I have to say this - but your life is pretty wonderful too. I love that we've grown from bratty teenagers, to college partners in crime, and now just trying to navigate the adult world, closely following the same timeline! You've found an amazing guy, one that I'm thrilled to have in our family of friends. And your career, while maybe not the most "fun", only further proves your intelligence and stamina. You're going to be a great role model to your children. Working hard for what you have, and being generous to those you love.

Received from 19142603729 at: 2016-05-04 20:42:30 That's fair
Sent to 19142603729 at: 2016-05-04 20:47:18 They might be in VA next week to watch a game. If so trev is gonna let us know for a possible meet up

Sent to 17049752056 at: 2016-05-04 21:35:26 How do you feel about the UBE?

Received from 17049752056 at: 2016-05-04 21:35:30 You just missed it
Sent to 17049752056 at: 2016-05-04 21:35:33 Right?
Received from 17049752056 at: 2016-05-04 21:36:32 South Carolina is gonna start using it next year I think
Sent to 17049752056 at: 2016-05-04 21:53:13 Yeah, SC starting in February 2017.
Received from 17049752056 at: 2016-05-04 21:54:10 I don't know how I feel about it, I guess it makes sense. I feel like it is geared towards law school and not towards any specific state law, so that means people will still have to do something to learn SC law before they can practice here
Sent to 17049752056 at: 2016-05-04 22:10:54 No I know but I guess I mean like are you pissed you aren't partaking in the UBE program
Sent to 17049752056 at: 2016-05-04 22:11:17 I guess it really only offers mobility for a few years
Sent to 17049752056 at: 2016-05-04 22:11:29 And you aren't likely to move again
Sent to 17049752056 at: 2016-05-04 22:12:06 Oh yeah, I was pissed. Also, in August (after I took the July NC exam) NC and VA got reciprocity
Received from 17049752056 at: 2016-05-04 22:12:21 If I were a law student now though I would apply to every bar
Received from 17049752056 at: 2016-05-04 22:12:28 Oh man!!! That's awful
Sent to 17049752056 at: 2016-05-04 22:12:31 I got screwed with all this bar crap
Sent to 17049752056 at: 2016-05-04 22:12:39 Seriously.
Sent to 17049752056 at: 2016-05-04 22:13:02 But, my ego feels pretty good that I took and passed two more bar exams 5 years out with a kid and working full time
Received from 17049752056 at: 2016-05-04 22:13:13 I feel that
Sent to 17049752056 at: 2016-05-04 22:13:23 So it isn't all for a loss.
Sent to Data Missing at: 2016-05-04 22:13:46 Hey party people. Just wanted to get the group chat started.
Received from 17049752056 at: 2016-05-04 22:14:24 Right right
Sent to 17049752056 at: 2016-05-04 22:15:04 I seriously thought about taking the UBE somewhere else and getting a ton of other licenses. My firm won't pay for them though.
Received from 17049752056 at: 2016-05-04 22:15:15 I mean it's tempting
Sent to 17049752056 at: 2016-05-04 22:15:20 I tried to get them to pay for me to waive in to Georgia and DC and they won't, since we don't have a need
Received from 17049752056 at: 2016-05-04 22:15:36 Right. You don't need to be barred there.
Sent to 17049752056 at: 2016-05-04 22:15:37 Georgia they are considering, but they said no to DC
Sent to 14128413731 at: 2016-05-04 22:15:47 😎
Received from 17049752056 at: 2016-05-04 22:15:54 I imagine you only want to waive in Bc you want to have the flexibility
Sent to 13122823644 at: 2016-05-04 22:16:28 🤓
Received from 17049752056 at: 2016-05-04 22:16:48 Hahaha no, I want to waive in bc I have three bars, and I found out someone else at the firm has four and I want to beat them.
Sent to 17049752056 at: 2016-05-04 22:17:01 Because it is clearly a competition
Received from 14128413731 at: 2016-05-04 22:17:06 So true 🙄
Received from 17049752056 at: 2016-05-04 22:17:18 But we do have corporate clients that do work in Georgia and therefore we could do more work for them if I am licensed in Georgia, so they said they would consider it
Sent to Data Missing at: 2016-05-04 22:18:41 🙈
Received from 17049752056 at: 2016-05-04 22:19:16 Yup sounds like you alright

Received from 14128413731 at: 2016-05-05 18:22:01 It's a bunch of bull that they are gonna stay in the down the middle cases
Received from 14128413731 at: 2016-05-05 18:22:12 They think ALL cases are in the middle
Sent to 14128413731 at: 2016-05-05 18:22:37 They just need a few bad emails and then they are unshakeable V
Received from 14128413731 at: 2016-05-05 18:22:45 Seriously.
Sent to 14128413731 at: 2016-05-05 18:23:19 They really seem to be trying to use data analysis to infer intent
Received from 14128413731 at: 2016-05-05 18:23:31 And I just can't wait for a court to analyze that
Sent to 14128413731 at: 2016-05-05 18:24:10 Yea but at least the CFTC guy mentioned comms and testimony
Sent to 14128413731 at: 2016-05-05 18:24:21 The doi guy is a bit much
Received from 14128413731 at: 2016-05-05 18:24:59 I mean for real. He is not trying to hedge at all. He is like bulldozing

Received from 14128413731 at: 2016-05-05 18:26:14 I get it if there are bad comms
Sent to 14128413731 at: 2016-05-05 18:26:25 But these cases are not that way
Received from 14128413731 at: 2016-05-05 18:26:34 3red is all data driven
Sent to 14128413731 at: 2016-05-05 18:26:43 Yea that's insane
Sent to 14128413731 at: 2016-05-05 19:02:14 Do you agree this is an accurate representation of what was said - There was also discussion about the constitutional vagueness of the spoofing statute. The DOJ and CFTC both said they are only bringing spoofing cases that are at the "core" of the statute and therefore they believe constitutional challenges will be unsuccessful.
Received from 14128413731 at: 2016-05-05 19:03:27 Yes but I would clarify how that relates to constitutionality
Received from 14128413731 at: 2016-05-05 19:03:41 How do you mean
Sent to 14128413731 at: 2016-05-05 19:05:13 What they were saying at the beginning re how constitutionality depends on if the statute is being applied unconstitutionally to the particular defendant and that because they are only bringing cases at the core they are confident it will be hard to show unconstitutional application
Sent to 14128413731 at: 2016-05-05 19:06:07 Right. I will add. Do you think this is a useful enough note to circulate?
Received from 14128413731 at: 2016-05-05 19:07:01 I think but I might couch more on the conduct than the constitutionality
Sent to 14128413731 at: 2016-05-05 19:07:35 I.e. Guy brought up Stop loss orders and DOJ said well we are only bringing core cases
Received from 14128413731 at: 2016-05-05 19:08:22 Okay. But worth sharing? Or am I gunning
Sent to 14128413731 at: 2016-05-05 19:09:07 Haha I mean I think as long as it's

relatable to what we are working on as a group it's not gunning
Received from 14128413731 at: 2016-05-05 19:09:16 Just add to my comment if you want
Sent to 14128413731 at: 2016-05-05 19:09:46 that's what I was gonna do
Received from 14128413731 at: 2016-05-05 19:10:04 Just didn't want to be a gunner and I'm a paranoid creature
Received from 14128413731 at: 2016-05-05 19:10:39 Well I think you should be as concise as possible as you always run the risk of a Ted follow up
Sent to 14128413731 at: 2016-05-05 19:12:08 Maybe I just won't send
Received from 14128413731 at: 2016-05-05 19:12:29 Just be concise. Say one additional point...
Received from 14128413731 at: 2016-05-05 19:18:10 One additional point, when a panelist raised the constitutional vagueness issue of the spoofing statute language and used stop loss orders as an example to demonstrate this - the DOJ and CFTC both responded that they don't read the statute to include stop loss orders and are only pursuing core cases. As such they are confident no one will be able to show an unconstitutional application.

now and you can justify that I'm the bad guy but YOU are the one blowing ME off. Your supposed best friend. Phfff. It feels less and less like that lately.
Sent to 17038995561 at: 2016-05-05 22:59:16 I said you're being rude. Because you are. Sorry I don't sugar coat things when you're being an inconsiderate friend.

Received from 17038995561 at: 2016-05-05 23:09:01 I want you to care. That is true. It is some thing you haven't been doing. I've been trying to respect your space Bc of all the bullshit you've been putting yourself thru with Joey and how demanding he was of you and your time and your emotions. And so I tried to support you and not be in need as a friend. But now doing so has gotten me in a position where you take me for granted and only talk to me when I reach out to you. And NOW are canceling on me. Something you have a history of doing when something better comes along. I am always the last of the list. Even when I went out of my way to plan a whole extravagant trip to NYC, you nearly backed out of that too and while on it just completely focused on Joey. You do not prioritize me or our friendship or give it any weight or effort. You have been just treating me like I don't matter and yea this is a breaking point for me. That I have to confirm things with you after I already reach out to you about doing something nice FOR YOU.
Received from 17038995561 at: 2016-05-05 23:10:47 You can villianize me if that makes it easier to do what you want to do, which you are clearly gonna do. But this is about something much bigger. The way you treat me. YOU ARE HURTING ME.
Data Missing 17038995561 at: 2016-05-05 23:12:53 You didn't even bother to say - hey so I know we talked about having dinner on my birthday but there is this Washingtonian event that I really want to go to and maybe you could come to? What do you think?
Data Missing 17038995561 at: 2016-05-05 23:13:23 Nope. Just hey doing this now. Mic drop. NO consideration of me.
Received from 17038995561 at: 2016-05-05 23:14:02 And now you want to spin on me for saying you are rude?? THAT IS TEXT BOOK RUDE
Received from 17038995561 at: 2016-05-05 23:14:37 How about I'm sorry?? I didn't mean to hurt you and make it seem like I didn't care about you??
Sent to 17038995561 at: 2016-05-05 23:14:54 Instead of INSTANT defense mode about why you are right and I am wrong.
Sent to 17038995561 at: 2016-05-05 23:16:23 You honestly make me question whether you truly consider me a best friend. Like do you even like me? Do you care about spending time with me? Do you care about my feelings and how you make me feel?

Sent to 19178211113 at: 2016-05-05 23:17:52 She does kinda look like me here
Sent to 17038995561 at: 2016-05-05 23:23:52 And for the record - this is me trying. Bc I care. About you and about our friendship. I don't enjoy this at all.

It really hurts. And I'm praying / hoping that you care enough to try too. And at the very least admit to yourself that maybe you could be better than you've been. And more aware of my feelings. I don't know what you want or what you are capable of, so I can't propose a "fix" or resolution. I leave that to you since I am basically standing here just begging for you to love me and respect me and want to be my friend.

Sent to 18034141483 at: 2016-05-09 18:51:52 I scoped out some places for us in Charleston
Received from 18034141483 at: 2016-05-09 18:51:58 This past weekend
Received from 18034141483 at: 2016-05-09 18:52:08 Get your stretchy pants ready!
Sent to 18034141483 at: 2016-05-09 18:54:11 Oh I'm ready. But I'm also in a bad bad way
Sent to 18034141483 at: 2016-05-09 18:54:15 Mentally.
Sent to 18034141483 at: 2016-05-09 18:54:27 I'm pretty sure this is because I'm pmsing.
Received from 18034141483 at: 2016-05-09 18:54:40 Today is day 28
Received from 18034141483 at: 2016-05-09 18:54:56 I have so many feels and I hate my brain.
Received from 18034141483 at: 2016-05-09 18:57:38 Looooong story but Chris and I are revisiting/ discussing our "life plans" and where to settle and what type of life to lead, and one option being discussed is moving south, specifically charleston.
Sent to 18034141483 at: 2016-05-09 18:58:02 Ok well now I have all the feels
Sent to 18034141483 at: 2016-05-09 18:58:26 And you're probably experiencing many different emotions for lots of reasons.
Sent to 18034141483 at: 2016-05-09 18:58:36 I debated telling you Bc this is like the super initial
Sent to 18034141483 at: 2016-05-09 18:58:53 Haha I understand. Seriously. You can bring up whatever you want
Sent to 18034141483 at: 2016-05-09 18:58:59 But I'm just so sick of the rat race

Sent to 18034141483 at: 2016-05-09 18:59:33 And once we have kids I don't want to be working like I am now. I can't do it
Received from 18034141483 at: 2016-05-09 19:00:11 I need a lower stress job. Problem is I'm terrified of cutting my earning shortly after having a kid.
Received from 18034141483 at: 2016-05-09 19:00:32 So it may be best for us to be somewhere where cost of living is lower.
Sent to 18034141483 at: 2016-05-09 19:00:38 It's tricky
Received from 18034141483 at: 2016-05-09 19:01:39 Life will adjust to your income. You should pick a place and job that makes you happy. There's no price tag on that
Sent to 18034141483 at: 2016-05-09 19:01:48 I totally agree.
Sent to 18034141483 at: 2016-05-09 19:02:11 My mental breakdown is like related to us picking how we want to live our life
Sent to 18034141483 at: 2016-05-09 19:02:45 Chris and I have gotten tied up in these high paying but high stress jobs and I don't want that to be like our life. I want to enjoy things more
Sent to 18034141483 at: 2016-05-09 19:02:50 Clearly, Your anxiety now indicates that this life won't work with added stress - aka kids
Sent to 18034141483 at: 2016-05-09 19:03:08 I think my core anxiety is like what's the plan
Received from 18034141483 at: 2016-05-09 19:03:32 I just want to know like logistics
Sent to 18034141483 at: 2016-05-09 19:04:11 And I'm scared of Chris becoming a work a holic in New York
Sent to 18034141483 at: 2016-05-09 19:04:30 Hah! One of you might have to....
Sent to 18034141483 at: 2016-05-09 19:04:43 Right and I don't want that
Received from 18034141483 at: 2016-05-09 19:04:43 I've given up on that.
Sent to 18034141483 at: 2016-05-09 19:04:52 It's hard Bc I want to be in New York Bc of family.
Sent to 18034141483 at: 2016-05-09 19:04:59 And I love the area
Sent to 18034141483 at: 2016-05-09 19:05:06 But taxes are SO high
Received from 18034141483 at: 2016-05-09 19:05:31 Like dude they are seriously between 30-50k a year for a house in Westchester
Sent to 18034141483 at: 2016-05-09 19:05:41 Wtf that's ridiculous
Received from 18034141483 at: 2016-05-09 19:05:47 Yea. Exactly.
Sent to 18034141483 at: 2016-05-09 19:05:56 And to have that HUGE expense
Sent to 18034141483 at: 2016-05-09 19:06:01 Which gives us no equity
Sent to 18034141483 at: 2016-05-09 19:06:12 And to put it all on Chris financially
Sent to 18034141483 at: 2016-05-09 19:06:24 I mean he can do it but do we want to??
Received from 18034141483 at: 2016-05-09 19:06:42 Sigh. Being an adult sucks
Sent to 18034141483 at: 2016-05-09 19:06:47 ESP Bc I don't feel like one
Sent to 18034141483 at: 2016-05-09 19:09:47 Anyways. Sorry for the semi breakdown. I am acutely aware of my raging hormones / emotions. But still not able to stop them...
Sent to 18034141483 at: 2016-05-09 19:10:21 I think you strive for perfection, and that's not a good thing in this particular situation. There are so many factors, pros/cons, unknowns that will make picking the perfect place to live an unattainable choice at this moment
Sent to 18034141483 at: 2016-05-09 19:10:43 You should be making small steps to ease your stress now, little by little
Sent to 18034141483 at: 2016-05-09 19:10:48 Control the things you can
Sent to 18034141483 at: 2016-05-09 19:10:49 Yea you're right.
Sent to 18034141483 at: 2016-05-09 19:11:17 I guess it's just really hard for me to get pregnant without any clue of what's next
Sent to 18034141483 at: 2016-05-09 19:11:41 And I don't want to delay getting pregnant Bc I don't think things are gonna become more clear

Received from 18034141483 at: 2016-05-09 19:11:48 But you know babies adapt. If you pick up and move with an 8mo, who cares
Received from 18034141483 at: 2016-05-09 19:11:55 They won't know it
Received from 18034141483 at: 2016-05-09 19:12:01 No I know.
Sent to 18034141483 at: 2016-05-09 19:12:17 I am def a control freak
Sent to 18034141483 at: 2016-05-09 19:12:26 I just really need game plans
Sent to 18034141483 at: 2016-05-09 19:12:39 And I feel like I have no fucking clue about what's the plan
Received from 18034141483 at: 2016-05-09 19:13:25 Well what would be the harm in giving yourself a year or so? Stay exactly where you are. You have to cook a baby for 10mo then have 6mo maternity
Received from 18034141483 at: 2016-05-09 19:13:52 Push it aside and concentrate on this life step, not allll of the life steps
Sent to 18034141483 at: 2016-05-09 19:13:54 Yea I mean I do know that's the plan through 2017 or so
Sent to 18034141483 at: 2016-05-09 19:14:41 I guess the reason I'm focused on the rest now is Bc like making sure we make the right career choices now that open up the doors we want open
Sent to 18034141483 at: 2016-05-09 19:16:10 But you're right. We aren't going anywhere for the next year plus
Sent to 18034141483 at: 2016-05-09 19:19:51 I really appreciate your guidance and patience with my hysteria.
Received from 18034141483 at: 2016-05-09 19:20:25 It's no problem. I understand what you're going through
Received from 18034141483 at: 2016-05-09 19:21:38 I could easily let my self get super stressed out, but I'm reallllyyyy trying to get my act together. I don't want to be an anxious mother, which means I need to get my emotions in order now
Sent to 18034141483 at: 2016-05-09 19:21:59 Be happy with what I have, happy where life is.
Sent to 18034141483 at: 2016-05-09 19:23:43 My biggest stress right now - daycare
Sent to 18034141483 at: 2016-05-09 19:23:50 It's insane here
Sent to 18034141483 at: 2016-05-09 19:27:03 Yea I am trying too. But I just suck at it. And my hormones aren't helping.
Received from 18034141483 at: 2016-05-09 19:27:29 Happiness is a tricky beast.
Received from 18034141483 at: 2016-05-09 19:28:18 I may have to JOIN a CHURCH to get my kids into a decent daycare
Received from 18034141483 at: 2016-05-09 19:28:25 I can't even fathom it
Received from 18034141483 at: 2016-05-09 19:28:52 There are only two non-church daycares downtown, the USC one and some federal one
Received from 18034141483 at: 2016-05-09 20:01:10 Then join a church! Fuck it right?
Sent to 18034141483 at: 2016-05-09 20:07:17 Elizabeth says I should join hers. There are no attendance or financial responsibilities after. And it's right by house, a really good one too
Sent to 18034141483 at: 2016-05-09 20:07:32 But I have to take a six week beginners workshop and get introduced at a Sunday service
Received from 18034141483 at: 2016-05-09 20:07:41 WTF?!?
Received from 18034141483 at: 2016-05-09 20:22:28 I mean yea that is weird b
Received from 18034141483 at: 2016-05-09 20:23:01 But let's be honest if a cheaper but great daycare said they required as much you'd do it
Sent to 18034141483 at: 2016-05-09 20:23:55 Being part of a group of crazy religious people is what is probably bothering you
Received from 18034141483 at: 2016-05-09 20:24:29 100%
Received from 18034141483 at: 2016-05-09 20:24:40 They're going to know I'm lying
Received from 18034141483 at: 2016-05-09 20:24:47 No they won't
Sent to 18034141483 at: 2016-05-09 20:24:52 Religious people have faith
Sent to 18034141483 at: 2016-05-09 20:26:05 What if I do all that and hen get wait listed

Sent to 18034141483 at: 2016-05-09 20:26:06 You just say that religion was a big part of your upbringing and so it's important to you that it's part of your child's.
Received from 18034141483 at: 2016-05-09 20:26:12 Elizabeth says do it now
Received from 18034141483 at: 2016-05-09 20:26:18 You probably should
Sent to 18034141483 at: 2016-05-09 20:26:30 Ugh, I can almost guarantee Patrick won't do it with me
Sent to 18034141483 at: 2016-05-09 20:26:37 I'm gonna have to take one for the team
Received from 18034141483 at: 2016-05-09 20:26:41 I mean better to do it when you don't have a kid anyways
Sent to 18034141483 at: 2016-05-09 20:26:50 It will be less chaotic
Received from 18034141483 at: 2016-05-09 20:27:13 Tell Patrick it's this or pony up more dough and I bet he does it
Sent to 19142603729 at: 2016-05-09 20:27:49 What time do you expect to finish tonight
Received from 18034141483 at: 2016-05-09 20:28:07 He'll want me to do it
Received from 18034141483 at: 2016-05-09 20:28:19 Just lie and tell him you both have to
Sent to 18034141483 at: 2016-05-09 20:28:19 There's no way he can make it six weeks in a row at damn 5pm
Sent to 18034141483 at: 2016-05-09 20:28:43 Dude he def can - if he tells work it's RELIGIOUS. They HAVE to let him go
Sent to 18034141483 at: 2016-05-09 20:28:51 He will absolutely have to log back on
Sent to 18034141483 at: 2016-05-09 20:28:55 Afterwards.
Received from 18034141483 at: 2016-05-09 20:28:59 But he can make it.
Sent to 18034141483 at: 2016-05-09 20:29:40 Law firms don't fuck with health or religious stuff.
Received from 18034141483 at: 2016-05-09 20:30:05 The worst part is he will just have to admit it's religious which he won't want to do Bc he's just as averse to it as you are
Sent to 18034141483 at: 2016-05-09 20:30:59 I don't even want to bring it up to him
Sent to 18034141483 at: 2016-05-09 20:31:10 These things stress him out. Which I know is weird
Sent to 18034141483 at: 2016-05-09 20:31:17 No I get it
Sent to 18034141483 at: 2016-05-09 20:31:19 But it's like a notch against having kids
Sent to 18034141483 at: 2016-05-09 20:31:31 Chris gets weird too
Sent to 18034141483 at: 2016-05-09 20:31:35 To deal with this BS
Received from 18034141483 at: 2016-05-09 20:31:51 Yea if left up to Chris I think we'd wait several more years
Received from 18034141483 at: 2016-05-09 20:32:04 He is like down now. But would happily wait
Sent to 18034141483 at: 2016-05-09 20:32:06 We'd be DINKing it up on vacation
Received from 19142603729 at: 2016-05-09 20:32:08 I don't know. I've been struggling all day. I was planning on stopping whenever you said you were done
Sent to 18034141483 at: 2016-05-09 20:32:14 Yup
Received from 19142603729 at: 2016-05-09 20:32:25 Yea me too
Sent to 18034141483 at: 2016-05-09 20:32:31 Exactly. I have Patrick excited, but if I were to hesitate he would 100% follow suit
Sent to 18034141483 at: 2016-05-09 20:32:46 Exactly the same.
Received from 18034141483 at: 2016-05-09 20:33:01 Which btw kinda blows
Received from 18034141483 at: 2016-05-09 20:33:10 Bc I feel like I'm the one pulling the trigger
Sent to 19142603729 at: 2016-05-09 20:33:49 I have a call at my 5:30 which will probably go for a half an hour. So probably wrap it up around then.

Sent to 18034141483 at: 2016-05-09 20:33:50 My mom says I should start. That helped.
Received from 18034141483 at: 2016-05-09 20:34:13 Should start what? Pulling triggers or making babies
Sent to 18034141483 at: 2016-05-09 20:34:31 Pull the trigger to make babies. She said she was just like me in that she never had some overwhelming to be pregnant or have kids.
Sent to 18034141483 at: 2016-05-09 20:34:56 And she also correctly stated how I think too much
Sent to 18034141483 at: 2016-05-09 20:35:42 Her advice was wait until you've been married a year and plan when you want to take maternity. She added having a baby in the winter would suck.
Received from 19142603729 at: 2016-05-09 20:35:58 Okay. I'll do the same.
Sent to 19142603729 at: 2016-05-09 20:36:13 Okay
Received from 18034141483 at: 2016-05-09 20:37:10 My mom pretty much said the same
Sent to 18034141483 at: 2016-05-09 20:37:33 She also said get used to being ready for things first
Sent to 18034141483 at: 2016-05-09 20:37:50 What does that mean
Sent to 18034141483 at: 2016-05-09 20:38:27 Like just how it's normal that Patrick is on board but if I didn't start the convo, he prob would have kept quiet...for awhile at least
Sent to 18034141483 at: 2016-05-09 20:39:26 Oh right right.
Received from 18034141483 at: 2016-05-09 20:39:45 Yea my dad was more eager than my mom
